

Memo

To: Distance and Blended Learning Instructors
From: Faculty and Administrative Support Services (FASS)
Date: May 2015
Subject: 15SS Distance and Blended Learning (former CFTL) Final Exam Submission Procedures

We ask that you please follow the steps outlined below for the Distance and Blended Learning submission process for the Spring/Summer 2015 final exams.

***Check FASS website for exam procedures, templates and forms:**

<http://www.nipissingu.ca/departments/faculty-administrative-support-services/exam-procedures/Pages/CFTL.aspx>

1. **It is imperative that you submit your final exam(s) to the FASS office, via e-mail, for processing on June 3, 2015.**

You will be required to submit your exam in an e-mail that is separate from other documentation not pertaining to the exam. Any relevant documents that will be needed for the exam (i.e. Supplementary Materials Form, formula sheets, case studies, etc.) should be included in the e-mail as well. The course code and title of the course should be included in the subject line. Please note that FASS is required to apply final exam formatting standards to all exams.

When Submitting your exam please inform FASS if the exam is a joint multi-section exam with other instructors. Indicate course code and section(s), contact person and all instructors who will be using the exam.

FASS also needs to be informed if Multiple Choice / True and False forms (scantrons) are required with the exam. Therefore when submitting your exam state: Yes, I require MC/TF forms for my exam OR No, students are answering MC/TF on the booklets provided or the exam itself.

2. **FASS will prepare/format your final exam, and then contact you via e-mail to proof it. Once proofed, FASS will make any requested changes and ask you to re-proof if required.**

Bush, Nicole R. Schneider, Scotia J. Hicks, 2022-02-09 This valuable compendium advances the understanding of mental health case law making it highly accessible to practicing forensic professionals Divided into two parts the first section focuses on explaining important topics related to forensic psychological and forensic neuropsychological assessment while the second section stands on its own as a collection of fascinating legal cases with high relevance to mental health and legal professionals interested in how mental health disorders impact criminal behavior among juveniles and adults The book begins with an accessible primer on abnormal behavior exploring the links between criminal behavior and mental health disorders It goes on to thoroughly describe what goes into forensic psychological and forensic neuropsychological evaluations including discussion about the Federal Rules of Evidence as they pertain to evidence generation during the mental health evaluation process The book also focuses on psychometric concepts including reliability validity sensitivity and specificity as well as an exploration of science and the law which includes a discussion about the difference between science and pseudoscience the different sources of law constitutions statutes and case law and how the intellectually competitive practice of law is similar to the enterprise of science Ethical issues faced by the forensic mental health worker are also addressed The second section of the book Legal Cases for the Forensic Mental Health Professional is an alphabetical summary of important and interesting legal cases with relevance for mental health professionals These cases offer real world significance while summarizing complex legal decisions through a neuropsychological sieve to allow both legal and psychological communities to better understand each other's professions This book will be an invaluable resource for forensic psychologists forensic neuropsychologists forensic psychiatrists and other mental health professionals whose work brings them into contact with the juvenile justice and adult criminal justice system It will also be of interest to legal professionals criminal justice departments and law schools Lippincott Manual of Nursing Practice Suresh K.

Sharma, 2019-01-01 NA **Fraud Investigation** Petter Gottschalk, 2018-03-05 Investigating white collar crime is like any other investigation concerned with past events However a number of characteristics require a contingent approach to these investigations This book describes the process of conducting private internal investigations by fraud examiners and presents a number of reports from the United States Sweden and Norway It evaluates a number of internal investigation reports to reflect on the practice of fraud examinations Empirical studies provide a basis to reflect theoretically on practice improvements for fraud examiners Rather than presenting normative recommendations based on ideal or stereotype situations so often found in existing books this book develops guidelines based on empirical study of current practice Internal investigations should uncover the truth about misconduct or crime without damaging the reputation of innocent employees Typical elements of an inquiry include collection and examination of written and recorded evidence interviews with suspects and witnesses data in computer systems and network forensics Internal inquiries may take many forms depending upon the nature of the conduct at issue and the scope of the investigation There should be recognition at the outset of any

investigation that certain materials prepared during the course of the investigation may eventually be subject to disclosure to law enforcement authorities or other third parties The entire investigation should be conducted with an eye towards preparing a final report As evidenced in this book private fraud examiners take on complicated roles in private internal investigations and often fail in their struggle to reconstruct the past in objective ways characterized by integrity and accountability Global Concepts in Gastronomy Dr. İbrahim Çekiç, Dr. Yener Oğan, 2023-06-10 This book aims to open the doors to this multidimensional world by focusing on the conceptual framework of gastronomy and providing readers with new intellectual frameworks and perspectives The content of the book has been designed considering the current gastronomy trends worldwide In this context initially neglected concepts in gastronomy literature were identified and their shape and content characteristics were explained by drawing on existing literature For instance concepts such as gastronomy museology gastronomy literacy and gastronomic value typology were addressed independently for the first time in this book and the overall framework of these concepts was established Additionally some commonly used concepts in gastronomy literature were reinterpreted and defined The book consists of sixteen interconnected chapters These chapters focusing on the specific features of global gastronomy concepts are structured to appeal to academics students professionals in the industry employees of local governments and individuals interested in gastronomy We are grateful to the authors and publishing staff who contributed to the preparation and publication of this book as we believe it would contribute to the gastronomy literature and provide opportunities for a better understanding of the conceptual framework of gastronomy
