From The Ashes Of Atlanta:

Atlanta from the Ashes Ivan Allen, 1928 **Atlanta from the Ashes** Ivan Allen, 1928 **From the Ashes of Atlanta** Jeanne Hardt, 2014-11-21 After losing his Atlanta home and family to the war Confederate soldier Jeb Carter somehow wakes up in a Boston hospital Alone desperate and with a badly broken leg he pretends to be mute to save himself from those he hates Yankees Gwen Abbott a student at Boston Women s Medical College is elated when she s allowed to study under the guidance of a prominent doctor at Massachusetts General While forced into a courtship with a man she can scarcely tolerate her thoughts are consumed with their mysterious new patient If only he could talk Two strangers from different worlds joined by fate Perhaps love can speak without words and win a war without a single shot being fired From the Ashes Arthur Reed Taylor, 1976 **Atlanta's Public Art** Robert M. Craig, 2021 The public art in Atlanta includes a broad range of media subjects styles and artistic merit Statuary and figurative sculpture often in bronze memorialize historic individuals while contemporary sculpture includes large scale abstract works in stone stainless or weathering steel and other materials Street artists and muralists have created more than 1 000 urban murals throughout the city including large and colorful abstract canvases with thematic subjects referencing sports nature social issues the city s African American and Hispanic communities and Atlanta s leadership in the civil rights movement Some guerrilla artists began as traffickers of graffiti who tagged buildings railroad boxcars and underpasses creating iconic compilations such as the Krog Street Tunnel Street art styles embrace photo realism abstract expressionism or folk op or pop art with the latter inspired by fantasy comic strip graphics or Goth Native Atlantan Alex Brewer also known as HENSE has executed commissions from Peru to Australia while artists from Barcelona Rome and Zimbabwe have contributed to Atlanta s status as an international city , Long Time Leaving Roy Blount, Jr., 2009-01-16 I left the South in search of the Enlightenment I m pro choice in favor of gay marriage and against creationism and the war in Iraq But both my parents people are deep Southern from many generations and I spent a little over a third of my life including the presumably most formative years toilet training through college living in the South Mathematically that makes me just about exactly as Southern as the American people 34 percent of whom are Southern residents But it goes deeper than math my roots are Southern I sound Southern I love a lot of Southern stuff and when my Northern local paper announces a festival to celebrate the spirit of differently abled dogs I react as a Southerner I believe I care as much about dogs feelings as anybody It is hard for me to imagine that a dog with three legs minds being called a three legged dog A sly dry hilarious collection of essays his first in more than ten years from the writer who according to The New York Times Book Review is in serious contention for the title of America s most cherished humorist This time Blount focuses on his own dueling loyalties across the great American divide North vs South Scholarly raunchy biting and affable ol Roy takes on topics ranging from chicken fingers to yellow dog Democrats to Elvis s toes And he shares experiences chatting with Ray Charles rounding up rattlesnakes watching George and Tammy record meeting an Okefenokee

alligator also named George or Georgette imagining Faulkner's tennis game and being swept up sort of in the filming of Nashville His yarns analyses and flights of fancy transcend all standard shades of Red Blue and in between Roy on language Remember when there was lots of agitated discussion of Ebonics pro and con I kept waiting for someone to say that if you acquire white English you can become Clarence Thomas whereas if you acquire black English you can become Quentin Tarantino Roy on eating The way folks were meant to eat is the way my family ate when I was growing up in Georgia We ate till we got tired Then we went Whoo and leaned back and wholeheartedly expressed how much we regretted that we couldn't summon up the strength right then to eat some more Roy on racism Anybody who claims not to have a racist bone in his or her body is at best preracist and has a longer way to go than the rest of us Blount's previous books have included reflections on a Southern president Jimmy Carter a novel about a Southern president Clementine Fox a biography of Robert E Lee a celebration of New Orleans a memoir of growing up in Georgia and the definitive anthology of Southern humor Long Time Leaving is the capper Maybe it won't end the Civil War at last but it does clarify or aptly complicate divisive delusions on both sides of the longstanding national rift It's a comic ode to American variety and also a droll assault on complacency North and South a glorious union of diverse pieces reshaped and expanded into an American classic from one of the most definitive and esteemed humorists of our time

Race and the Greening of Atlanta Christopher C. Sellers, 2023-08-15
Race and the Greening of Atlanta turns an environmental lens on Atlanta's ascent to thriving capital of the Sunbelt over the twentieth century Uniquely wide ranging in scale from the city's variegated neighborhoods up to its place in regional and national political economies this book reinterprets the fall of Jim Crow as a democratization born of two metropolitan movements a well known one for civil rights and a lesser known one on behalf of the environment Arising out of Atlanta's Black and white middle classes respectively both movements owed much to New Deal capitalism's undermining of concentrated wealth and power if not racial segregation in the Jim Crow South Placing these two movements on the same historical page Christopher C Sellers spotlights those environmental inequities ideals and provocations that catalyzed their divergent political projects He then follows the intermittent sometimes vital alliances they struck as civil rights activists tackled poverty as a new environmental state arose and as Black politicians began winning elections Into the 1980s as a wealth concentrating style of capitalism returned to the city and Atlanta became a national poster child for sprawl the seedbeds spread both for a national environmental justice movement and for an influential new style of antistatism Sellers contends that this new conservatism sweeping the South with an antienvironmentalism and budding white nationalism that echoed the region's Jim Crow past once again challenged the democracy Atlantans had achieved [The Southern Banker](#), 1929
