

Note: When you remove a built-in app from your Home screen, you also remove any related user data and configuration files. Removing built-in apps from your Home screen can affect other system functionality. For more information, see the Apple Support article [Remove built-in Apple apps from the Home screen](#).

Restore an app you removed. Go to the App Store, search for the app, then tap .

Organize with folders

Create a folder. Touch and hold an app on the Home screen, drag it onto another app you want in the same folder, then lift your finger. Tap the name of the folder to rename it.
Drag apps into or out of the folder.

To quickly create a folder with multiple apps, touch and hold an app until the app icons jiggle, drag the app slightly, then tap additional apps with another finger. While holding the selected apps with one finger, use another finger to press the Home to stop the icons from jiggling. Drag your selection onto another app you want in the same folder, then lift your finger.

You can have multiple pages of apps in a folder.
