Abortion - Part I United States. Congress. Senate. Committee on the Judiciary. Subcommittee on Constitutional Amendments,1974 *Reports from a Scholar's Life* Tryggve N. D. Mettinger,2015-11-16 Tryggve N D Mettinger emeritus professor of Hebrew Bible at Lund University has long been one of the best known and most admired voices in biblical studies His eight English language books and countless articles published in a career spanning over four decades have changed the field in many ways Mettinger is renowned not as an iconoclast but as one working within mainstream scholarship who is nevertheless willing to challenge cherished ideas and who takes nothing for granted For example in one of his earliest works *A Farewell to the Servant Songs* published in its entirety in this volume Mettinger with his trademark brevity and articulation drew attention to the shaky ground on which this consensus idea was built and called fellow scholars to reexamine this notion taken for granted by so many for so long For Mettinger the Bible is sacred literature but in biblical interpretation there are no sacred cows *Reports from a Scholar's Life* Select Papers on the Hebrew Bible collects 16 studies one short monograph twelve articles and three reviews originally published between 1977 and 2008 into one volume along with a new reflective essay The papers included provide not only Mettinger's most groundbreaking publications but also glimpses into several of the areas of study that occupied the author Mettinger's work ranged far and wide in the Hebrew Bible and here one finds examples of his contributions to the study of among other things the notions of God the Gottesbild in ancient Israel the theology of YHWH Sabaoth in the monarchic period the development of the story of David in 1 2 Samuel aniconism in ancient Israel the motif of the dying and rising god in the ancient world narrative criticism of the book of Job the development and structure of Second Isaiah The entire volume is opened by the titular essay published for the first time here *Report from a Scholar's Life* This article was originally delivered as the farewell address upon his retirement from Lund University and it provides a retrospective on his entire life and career *Arcadia's Ignoble Knight: The Sorceress of*

Ashtown - Part I Brandon Varnell, 2022-03-09 Arcadia's Knight Academy is the premier school for young men hoping to become a Sorceress's Knight. Only nobles, people with power and prestige, are allowed within these hallowed grounds, which explains why Caspian Ignis del Sol is hated by everyone. He's not a noble or of even slightly noble lineage. As payment for being enrolled in the academy, Caspian is sometimes given tasks to perform that take him outside of the academy walls. This time, his job is to deliver a letter to a Sorceress living in Ashtown, but when the train that he's riding on is attacked by a mysterious band of thugs in cloaks, he'll find that there is a whole lot more to this quest than he first imagined. **The Face You See, Part I** Amelia Legend, 2021-07-02 Nestled in the Golden Coast of California, Danielle Lee lives a lie. As her senior year in high school begins and the escape of her dark secret draws near, she unexpectedly finds someone. Dannie struggles to move past her torments, hide the truth from her friends, and keep it together until she can finally have what she has always wanted: freedom. Reed is a junior who just moved to California from Kansas. Wildly attracted to Dannie, he is convinced she is everything he has been waiting for. After fate leads them to finally meet in the school library, Dannie first tries to place Reed in the dreaded friend zone. But she too cannot ignore the obvious chemistry. As Reed teaches her how to find hope, trust, and even love, Dannie must decide whether to harbor her secrets or reveal the truth and risk everything. While she wrestles with her decision, Dannie has no idea that a secret obsession will drive another young man to stop at nothing until she is his and his alone. *The Face You See* shares the compelling tale of a teenage girl's quest to free herself from her past, and when she does, she finds hope, the courage to embrace love, and the will to defy all odds in the most unlikely of circumstances. In swift and relatable prose, *The Face You See* juggles the many difficult topics and circumstances that young adults face. **Foreword** Clarion Review: those who have experienced or overcome traumas will find Dannie relatable and empowering. **BlueInk** It initially seems that this book will present yet another high school love triangle, but the plot surprises and unsettles those expectations. It moves past lighthearted teen drama to present a serious, emotionally affecting coming-of-age tale. An engaging contemporary romance whose conflicted, nuanced heroine helps it transcend the conventions of its genre. **Kirkus Review**

Black South African Autobiography After Deleuze Kgomo M. Masemola, 2017-05-01 In *Black South African Autobiography After Deleuze: Belonging and Becoming in Self-Testimony*, Kgomo M. Masemola uses Gilles Deleuze's theories of immanence and deterritorialization to explore South African autobiography as both the site and the limit of intertextual cultural memory. Detailing the intertextual turn that is commensurate with belonging to the African world and its diasporic reaches through the Black Atlantic, among others, this book covers autobiographies from Peter Abrahams to Es'kia Mphahlele, from Ellen Kuzwayo to Nelson Mandela. It proceeds further to reveal wider dimensions of angst and belonging that attend becoming through transcultural memory. Kgomo M. Masemola successfully marshalls Deleuzian theories in a sophisticated re-reading that makes clear the autobiographers' epistemic access to worlds beyond South Africa. **From an Atheist to a Believer: Part One** Reggie Garland, 2018-01-31 As a former atheist, I was a strong advocate for science versus

God as the answer for creation This book is a series of trials throughout my life and the experiences of a few close friends that explains how God worked in our lives It also addresses some difficult questions I had when First becoming a believer
