## Local Seo Training Guide:

Google My Business 2.0 Training guide (1, #2) Laura Maya, 2019-04-17 Any business that serves customers locally needs to be on Google My Business GMB. It offers the greatest impact for brands seeking local exposure. Google My Business is without a doubt a market pioneer when it comes to empowering small businesses and enables them to connect with their customers directly. If you think that was impressive, wait until you hear this: 84% of consumers turn to search engines to find out information for a local purchase, and much of that information comes from a company's GMB listing. Customers who find a brand through their Google My Business listing are up to 50% more likely to make a purchase. According to Google research data, businesses which continuously keep updating photos on their listings tend to receive 42% more requests for directions on Google Maps. They also get 35% more clicks through to their websites. And despite these advantages, 56% of local stores are yet to claim their local listing on Google. The above trend suggests that more consumers are looking for local businesses. So if you haven't optimized your business for Google local search, you are failing to take advantage of this significant opportunity. Well, we have put together all the resources you need to tap into this incredible marketing potential. Use this guide to ensure you've completed your Google My Business listing correctly and optimized all possible facets of the tool to get the most leverage for your business on Google and third-party platforms that use the Google Maps API to generate location information for users.

Introducing Google My Business 2.0 Training Guide Discover how to master Google My Business and leverage it to grow your online business brand.
