South Asian Filmscapes Elora Halim Chowdhury, Esha Niyogi De, 2020-11-30 New political realities and shared histories connect film cultures across borders In South Asia massive anticolonial movements in the twentieth century created nation states and reset national borders forming the basis for emerging film cultures Following the upheaval of the partition of India and Pakistan in 1947 and the Bangladesh Liberation War of 1971 new national cinemas promoted and reinforced prevailing hierarchies of identity and belonging At the same time industrial and independent cinemas contributed to remarkably porous and hybrid film cultures reflecting the intertwining of South Asian histories and their reciprocal cultural influences This cross fertilization within South Asian cultural production continues today South Asian Filmscapes excavates these complex politics and poetics of bordered identity and crossings through selected histories of cinema in South Asia Several essays reveal ways in which fixed notions of national identity have been destabilized by the cross border mobility of filmed arts and practitioners while others interrogate how filmic politics intersects with discourses of nationalism sexuality and gender religion and language Together they offer a fluid approach to the multiple histories and encounters that conjure South Asia as a geographic and political entity in the region and globally through a cinematic imagination Feminism, Literature and Rape Narratives Sorcha Gunne, Zoe Brigley Thompson, 2012-08-06 The essays in this volume discuss narrative strategies employed by international writers when dealing with rape and sexual violence whether in fiction poetry memoir or drama In developing these new feminist readings of rape narratives the contributors aim to incorporate arguments about trauma and resistance in order to establish new dimensions of healing This book makes a vital contribution to the fields of literary studies and feminism since while other volumes have focused on retroactive portrayals of rape in literature to date none has focused entirely on the subversive work that is being done to retheorize sexual violence Split into four sections the volume considers sexual violence from a number of different angles Subverting the Story considers how the characters of the victim and rapist might be subverted in narratives of sexual violence In Metaphors for Resistance the essays explore how writers approach the subject of rape obliquely using metaphors to represent their suffering and pain The controversy of not speaking about sexual violence is the focus of The Protest of Silence while The Question of the Visual considers the problems of making sexual violence visible in the poetic image in film and on stage These four sections cover an impressive range of world writing which

Paranjape,2014-09-19 Who is responsible for the Mahatma s death Just one single but determined fanatic the whole ideology of Hindu nationalism the ruling Congress led government which failed to protect him or a vast majority of Indians and their descendants who considered Gandhi irrelevant Such questions mean that Gandhi even after his tragic and brutal death continues to haunt India perhaps more effectively in his afterlife than when he was alive The Death and Afterlife of Mahatma Gandhi is a groundbreaking and profound analysis of the assassination of the father of the nation and its after effects Paranjape argues that such a catastrophic event during the very birth pangs of a new nation placed a huge burden of Oedipal guilt on Indians and that this is the reason for the massive repression of the murder in India s political psyche The enduring influence of Gandhi is analysed including his spectral presence in Indian cinema The book culminates in Paranjape s reading of Gandhi s last six months in Delhi where from the very edge of the grave he wrought what was perhaps his greatest miracle the saving of Delhi and thus of India itself from internecine bloodshed This evocative and moving meditation into the meaning of the Mahatma s death will be relevant to scholars of Indian political and cultural history as well as those with an interest in Gandhi and contemporary India **Vernacular English** Akshya Saxena,2022-03 After India s Partition and independence in 1947 cleansing Hindi by removing Urdu words was part of the nation s effort to disavow Islamic influence and to forge an exclusively Hindu Indian identity Sanskritized Hindi was anointed the official language of India in 1950 a move protested by

non Hindi speaking people in 1963 lawmakers responded to these protests by making English an associate official language. Itself a language steeped in a history of colonial violence, English nevertheless was chosen to mend the gaps created by the imposition of Hindi and to uphold the ideal of democracy. This book considers English as part of the multilingual local milieu of India, a country where more than twenty languages are spoken, not as a colonial language imposed from without. Through a close study of English in India from the language policies under British rule to the present day, Akshya Saxena argues that low castes and minority ethnic groups, those oppressed by or denied access to English, have routinely and effectively used the language to make political demands on the state. The book examines the ways that Indians use English in literary, spoken and visual media from novels to films to global protest movements to express and shape their experience within the Indian state.

India for a Billion Reasons Amit Dasgupta, 2011-02-02. India, a land of a billion people, a nation for a billion reasons. India continues to mesmerise and surprise the rest of the world as much as she enchants and bewilders her own people. An ancient civilisation and a young nation at once, modern India is a thriving democracy, an economic powerhouse, an increasingly assertive global political player and a world leader in science and technology. At the same time, she remains rooted in tradition, her art, culture and literature continue to enrich her mind, body and soul, as also of the rest of humanity. This superbly crafted book, adorned with rich and spontaneous photographs, unravels the beauty and enigma of India and her people in an unusually simple and uncomplicated manner, thereby providing an overview of what constitutes this great nation.

Houseful: The Golden Years of Hindi Cinema Saïam Z U, 2012. Published in the year 2012, *Housefull: The Golden Age of Hindi Cinema* is a collection of short essays that document some of the groundbreaking film releases during the 1950s and 60s. Summary of the book: *Housefull: The Golden Age of Hindi Cinema* is a collection of short essays that provide insights into the best films in Hindi Cinema during the 1950s and 60s. This book starts off with a foreword by Mahesh Bhatt, followed by a brief introduction by Salam. The readers are provided with little-known facts on the lives of actors, directors, composers, lyricists and producers during this golden age. This book has been divided into 11 parts, most of which examine the lives of some of the greatest directors during the 50s and 60s, which include Guru Dutt, Bimal Roy, B. R. Chopra, Shakti Samanta, Raj Kapoor, Mehboob Khan, V. Shantaram and the Anands. There is a rather incongruous portion placed between these sections called *Period Films 1952-1960*. Each section starts off with a brief introduction by a renowned figure in the Hindi film industry, followed by a series of write-ups on films. Only landmark films by a particular director have been included. An example of this is Bimal Roy, whose hit movies such as *Devdas*, *Madhumati*, *Sujata*, *Bandini* and *Do Bigha Zameen* have been added in this book. Each essay begins with some brief information about the movie, such as the director, writers, lyricist, lead actors and the cinematographer, which is followed by the movie's synopsis. Additionally, the readers are given insights into how a particular movie came into being, as well as behind-the-scenes stories sans any gossip. The writer of that particular section then gives their take on where the movie scores and what contributed to its success. This book consists of

contributions from some of the most renowned figures such as Vijay Lokapally Anuj Kumar and Suresh Kohli This book takes the readers back in time when the eminent Mangeshkar sisters sang together and the time Gulzar was prevented from singing his own song Housefull The Golden Age of Hindi Cinema helps the readers understand how Indian cinematic history has evolved from films such as Mughal e Azam and Sholay to Tare Zameen Par and Lagaan About Ziya Us Salam Ziya Us Salam is an author and journalist Salam is a film critic and renowned journalist He currently serves as the Deputy Editor for The Hindu s Metroplus He has been writing about Indian cinema regularly making his contributions to several anthologies
