## **Manual Accounting Practice Set:**

*Wedding Bells Boutique* Wendy Pabst, Brian Perrin, 2010 *Wedding Bells Boutique* is a manual accounting practice set. This practice set is designed to give students an understanding of the accounting process and how to prepare a range of typical accounting reports and transactions common to a small business. By completing this practice set, students will gain an understanding of the flow of data in an accounting system. Completion of the practice set for a one-month period should ensure a greater appreciation of the following: The steps in the accounting cycle for a small business; The use of special journals for processing data more efficiently; The use of subsidiary ledgers to remove details from the general ledger; The steps in posting journals to the general ledger and subsidiary ledgers; The perpetual inventory system; The bank account reconciliation; Balance day adjustments and the general ledger closing process; How the accounting cycle culminates in the preparation of financial statements; How the goods and services tax (GST) impacts on accounting. **FEATURES** Give students hands-on experience at manually keeping a set of accounting records for a small business for at least one accounting cycle; Give students an appreciation of the perpetual inventory system; Presents complete accounting cycle and requires students to prepare adjusting and closing entries; worksheets and financial statements.

*Paradise Office Furniture* Jillian Phillips, 2004-01-26 *Paradise Office Furniture* is a small retail business operated by a sole trader. The practice set accounts for one month early in the life of the business and is designed to help students see the big picture of the accounting cycle from analysis of transaction data through to preparation of financial reports. The practice set can be used in conjunction with any introductory financial accounting text and is particularly suited to a course which has an emphasis on the preparation and use of financial statements for decision making. By completing the practice set, students will gain a step-by-step understanding of various accounting processes and how all the interdependent steps fit together as an integrated whole.

*Surfari* Grose, 2006-06 *Surfari* is a manual accounting practice set designed to introduce students to the processing of accounting information for a complete accounting cycle for a retail business. The practice set is modelled on a fictitious surf wear company trading under the registered business name *Surfari*. The business sells a range of surf wear and accessories to various retailers at competitive prices. The practice set covers the use of general journals, specialised journals, subsidiary debtor, creditor and general ledgers, periodic inventory system with an appendix covering perpetual inventory, bank reconciliation, worksheets, balance sheets and income statements. back cover

*Boab Art Gallery* Wendy Pabst, Brian Perrin, 2011 *Boab Art Gallery* is a manual accounting practice set. This practice set provides experience in manually recording and posting a variety of business transactions common to small businesses so that students gain an understanding of the flow of data in an accounting system. Many of these processes are out of sight in a computerised accounting system.

Justin's Gourmet Foods Pty Ltd Martin Bugeja, 2010-02-08 *Justin's Gourmet Food Pty Ltd* is intended for students studying introductory accounting and can be used with any introductory textbook. An advantage of this practice set over many

others is that revenue and expense accounts have not been closed at the end of the previous month therefore providing students with a more realistic scenario This practice set provides students with the unadjusted trial balance at the end of May and requires students to record typical transactions for a retail business for the last month of the financial year Once these transactions have been recorded and posted students are required to complete the accounting cycle by journalising and posting adjusting and closing entries and preparing financial statements Students that complete this practice set should develop the skills necessary to keep a set of manual accounting records and understand the steps required to complete the accounting cycle

*DB Dance Studio Pty Ltd* Nila Latimer, 2007 D B Dance Studio is a manual practice set that gives students studying introductory accounting the opportunity to prepare a set of accounts manually This practice set will give students a hands on introduction to the posting and recording of transactions for a retail business over a two month period Students will be required to analyse source documents record journal entries post to ledger accounts adjust and close entries prepare a worksheet and typical financial statements This practice set will develop the skills necessary to keep a set of manual accounting records and understand the steps required to complete the accounting cycle

*Zander's Toy Store Pty Ltd* Martin Bugeja, 2011-02-07 Zander s Toy Store Pty Ltd is intended for students studying introductory accounting and can be used with any introductory textbook An advantage of this practice set over many others is that revenue and expense accounts have not been closed at the end of the previous month therefore providing students with a more realistic scenario This practice set provides students with the unadjusted trial balance at the end of May and requires students to record typical transactions for a retail business for the last month of the financial year Once these transactions have been recorded and posted students are required to complete the accounting cycle by journalising and posting adjusting and closing entries and preparing financial statements Students that complete this practice set should develop the skills necessary to keep a set of manual accounting records and understand the steps required to complete the accounting cycle

**Sports Zone** Robert Grose, 2007 Sports Zone A manual accounting practice set is a self paced student text and workbook This practice set allows students to either complete one or two months of transactions which provides the instructor with an additional form of assessment if required Sports Zone uses a perpetual inventory method for a retail business using GST Sports Zone can be used as a manual practice set on its own but may also be used as a computerised practice set using the commercially available accounting software package of QuickBooks The advantage of using both the manual and computerised methods is that it will be possible for students to compare the results produced manually with the printed results produced by the QuickBooks package If both the manual and computerised option is taken then in addition to the manual practice set the computerised material also comes with instructions and the accounting software on CD Rom

**Whitney's Wine Warehouse Pty Ltd** Martin Bugeja, 2006-11-29 Whitney s Wine Warehouse is a manual practice set for students studying introductory accounting and can be used with any introductory accounting textbook An advantage of this practice set over

many others is that revenue and expense accounts have not been closed at the end of the previous month therefore providing the student with a more realistic situation going into the last month of the financial year This practice set provides students with the unadjusted trial balance at the end of May and requires them to record typical transactions for a retail business for the last month of the financial year Once these transactions have been recorded and posted students are required to complete the accounting cycle by journalising and posting adjusting and closing entries and preparing financial statements This practice set will develop the skills necessary to keep a set of manual accounting records and understand the steps required to complete the accounting cycle      Sam's Shoe Barn - A Manual Accounting Practice Set Corinne
