

Journal Assignment

As you read *Of Mice and Men*, by John Steinbeck, you will be asked to complete journal entries. This assignment is designed to encourage active reading habits, requiring you to pause and reflect as you read. Because this is a journal assignment, less emphasis is placed on whether your responses are "right" or "wrong," and more emphasis on how much you authentically engage with the text. We will use many of your responses as "jumping off" points for class discussions. Each entry

Directions: For each chapter you read, you will need to write 2 journal entries. Each entry should be 1-2 paragraphs in length. Be sure to reference page numbers and quotes!

Chapter 1:

- Who are George and Lennie? What are the strengths and weaknesses of their relationship? Finally, why does George stay with Lennie even though he complains about it?
- Before Lennie and George get to the ranch to work, what is the dream? How does the dream evolve over the course of the novel and why is it repeated over and over again?

Chapter 2:

- Comment on Steinbeck's description of "place" in the novel, referring to particular words, phrases, or passages. These descriptions can involve the natural world or the environment on the Tyler Ranch itself.
- Comment on your reaction to the story itself. How do you respond to the action? Position yourself within the text. Write about how you fit into the story. Can you relate to some of the struggles?

Chapter 3:

- What purpose do dreams serve? Are they necessary for all of us? Finally, can a dream be destructive? Explain.
- How does Steinbeck's belief in "the group" take shape in this novel? Also, how does this belief fit particularly well with the time period described in this work? Explain.

On Reading the Grapes of Wrath Susan Shillinglaw, 2014-02-19 In this compelling biography of a book, Susan Shillinglaw delves into John Steinbeck's classic to explore the cultural, social, political, scientific, and creative impact of *The Grapes of Wrath* upon first publication as well as its enduring legacy. First published in April 1939, Steinbeck's National Book Award-winning epic of the Great Depression chronicles the Dust Bowl migration of the 1930s and the story of one Oklahoma farm family, the Joads, driven from their homestead and forced to travel west to the promised land of California. The story of their struggle remains eerily relevant in today's America and stands as a portrait of the conflict between the powerful and the powerless in the souls of the people.

English in Action'2000 Ed., *Integrating Virtual and Traditional Learning in 6-12 Classrooms* Sandra Schamroth Abrams, 2014-09-19 *Integrating Virtual and Traditional Learning in 6-12 Classrooms* introduces a model of layered literacies as a framework for describing and illustrating how students' digital experiences can inform educational methods. Through the lens of layered literacies, educators can envision opportunities to draw upon adolescents' out-of-school interests and activities to meaningfully integrate digital practices within academic contexts. Such an approach facilitates innovative teaching, inspired learning, and successful pedagogy, and it thoughtfully highlights the role of technology within mandated standards-based instruction in public schools. Combining foundational and contemporary theories supported by data from multiple studies of adolescent learning and honoring teachers' and students' experiences and resources, this text helps educators reconceptualize the ways students learn through and with digital texts and negotiate the connection between online and offline spaces. A companion website extends the discussion onto the screen, engaging readers in an intertextual approach to learning that complements the concept of layering literacies across disciplines. With a foreword by Jennifer Rowsell and an afterword by Bill Cope and Mary Kalantzis, it will be of interest to experienced educators and administrators as well as postgraduate, graduate, and undergraduate students of education.
