

Planning Of My Career Path

I am currently a first year student of bachelor of Business, here I hope to go on and study marketing in year two and finally progress to a masters. I have always had a keen interest in business, with it being my favourite subject throughout my school years. Business is a very wide course and through this course I have many different opportunities available to me afterwards. I especially have an interest in marketing and being a creative and hardworking person, as helped. In four years' time I will be graduating with an honours degree in Marketing and will progress onto a master's degree. I feel that this is an area that I want to see myself progress in and would love to find myself in a job working in the beauty sector. I feel my passion for make-up as well as beauty and my creative ideas, would really stand to me when in the search for a career in this industry. A brand I would like to see myself working with would be Urban Decay or Bare Minerals. Both of these brands are cruelty free and do not test on animals. I'm a firm believer in using natural and cruelty free products when it comes to cosmetics and beauty products, and this is also becoming a growing demand among consumers today. According to a Plant Based News, buyer searches for 'cruelty-free', 'plant-based', and 'vegan' beauty products on the Hubba platform increased by 40 percent in 2017 and 'are expected to continue to grow into 2018 as retailers race to attract and retain customers'. In order to get to where I want to be in my first year of college, I'm studying a variety of business modules and electives. This gives me the
