

9/10/13: Nothing Ever Happens on 90th Street

I think that Eva didn't realize how exciting her street was until she wrote the story. I think this because there were so many different things happening on 90th street, but she never took the time to realize it. For example, a simple event like the pizza delivery man falling down and being helped up by Alexis Leora turned into so much more. Alexis and the pizza delivery man fell in love because of this small encounter. I wonder if this will now be an "eye-opening" experience for her and she'll stop taking these everyday people and events for granted.

This reminds me of a time where I went away to college. I always thought the town that I grew up in was boring, but then when I came home for the first time, I looked around at all of the "little things." I never realized it at the time, but my town was not boring at all, it was, in fact, a very exciting and interesting place.
