Entering 1st Grade Summer Packet:

Feminist Posthumanisms, New Materialisms and Education Jessica Ringrose, Katie Warfield, Shiva Zarabadi, 2020-04-28

This edited collection is a careful assemblage of papers that have contributed to the maturing field within education studies that works with the feminist implications of the theories and methodologies of posthumanism and new materialism what we have also called elsewhere PhEmaterialism The generative questions for this collection are what if we locate education in doing and becoming rather than being And how does associating education with matter multiplicity and relationality change how we think about agency ontology and epistemology This collection foregrounds cutting edge educational research that works to trouble the binaries between theory and methodology It demonstrates new forms of feminist ethics and response ability in research practices and offers some coherence to this new area of research This volume will provide a vital reference text for educational researchers and scholars interested in this burgeoning area of theoretically informed methodology and methodologically informed theory The chapters in this book were originally published as articles in Taylor Francis journals
