

## Summer Language Arts Packet For students entering Grade 5

No doubt you and your child are pleased that he/she will be continuing on or joining in the grade 5 Advanced Learning Program in the fall. We share your enthusiasm, and look forward to working with your child.

To provide your child with an opportunity to hone his/her skills for the challenges of the coming year we have provided a list of books that will expand on the themes studied this year and provide the foundation for the coming year. In order to give your child the opportunity to broaden their literary experience, we are requesting that all ALP students read two of the extension novels, related to the units studied this year, and answer the three questions for both of the novels. We also included some questions you and your child can use to start a discussion about any book being read. We also included some questions you and your child can use to start a discussion about any book being read. Additionally we have included a grammar review packet, a Latin review of stems and vocabulary, and a review of important literary terms and themes. Your child should memorize the definitions and important lists and use them to do the grammar activity that follows. Finally, there is an important writing assignment to help your child prepare for writing your autobiography. The written assignments should be returned to your child's ALP teacher on the first day of school.

We appreciate that you have helped your child develop a love of reading, and expect that together we will continue to make reading an exciting and integral part of your child's life.

If you cannot get the books in the library the ALP teacher will be able to lend some of them to you if you get to him/her before the materials are packed away.

Enjoy the summer. If you can get to Shakespeare on the Sound or Shakespeare on the Green or Shakespeare *anywhere* then do it! It will be great exposure for next year.
