Signal App Dr. Timothy Zahar,2021-01-17 How do you feel How do you feel when Twitter Facebook Snapchat turn off the US President Donald Trump s account permanently I understand that some of you are supportive some are not interested and the rest many people feel outraged and angry What are they doing with the President of the United States The man who truly kept his promise Make America great again We resent not only because that is how to behave in the style of imposing gagging It is because that act seriously violates the freedom we worship in the West And that is the reason why social networks exist But they broke their promise patted themselves on the face They have exceeded their own limits They engage in politics expressing their likes and dislikes not in a neutral position The behavior of social media platforms must comply with the laws and legal frameworks set by the legislators not the political views of the company executives Obviously when these tech giants shake hands together they will manipulate everything and we will be manipulated It was Facebook and Twitter that controlled navigated and manipulated the news surrounding the 2020 US presidential election All the above shares each of us see existence before our eyes But what s behind all of the above Why did those big techs do that The answer is Rights To Private Personal Information On Internet We are being watched every moment We have been violated personal privacy when participating in platforms Facebook Twitter They have collected the maximum of all the data about us Sometimes I still tell my friends Facebook knows you better than you do So is there a way for us to escape their influence and

manipulation Yes We have 2 options Or not join any social networking platform This is difficult today because our work is tied to social connections Or we choose a social networking platform that is committed to respecting our privacy And don't just end up with commitments they need to give us the tools to proactively establish their own security And luckily for you and me there are platforms now that meet these criteria That is Signal A security proven messaging app by tech giants like Elon Musk Or even the CEO of Twitter Jack Dorsey also publicly uses and encourages people to use Signal What do you learn more from reading this book 1 I will show you 7 powerful reasons why you should immediately quit WhatsApp Facebook Messenger and switch to Signal immediately And not only that you will also encourage your friends and colleagues to do the same I commit to this 2 I will show you how to install Signal and set up the perfect features to help you keep your personal information secure on the Internet So that we will not be under surveillance control and navigate I will write about personal security on the Internet in the simplest most popular way that a 7 year old can understand and share with everyone Now let us get started the journey of finding real freedom on social media platforms Dr Timothy Zahar **Facebook Messenger as a Tool for Building Relationships with Customers** Dina Straga,2017 **My Facebook for Seniors** Michael Miller,2013-09-10 This introduction to Facebook has been written with one fast growing audience in mind seniors My Facebook for Seniors approaches every topic from a senior's point of view using meaningful examples and realistic tasks Step by step instructions for the tasks you care about most Large full color close up photos show you exactly what to do Common sense help whenever you run into problems Tips and notes to help you do even more We've identified the Facebook skills you need to stay connected with the people you care about reconnect with old friends and classmates and share your life with loved ones near and far Our crystal clear instructions respect your smarts but never assume you're an expert Big colorful photos on nearly every page make this book incredibly easy to read and use Sign up for Facebook it's free and create a new account Find old friends who are also on Facebook Use the News Feed to discover what your friends are up to Update your friends and family on your current activities View your friends digital photos and share your photos with friends and family Personalize the Timeline page that your friends see Chat privately with friends and family via text or video Find and follow pages from your favorite celebrities and companies Discover interesting topic specific groups Use Facebook to schedule and manage real world events including birthdays Enhance Facebook with interesting apps and fun social games Search Facebook for useful information Discover how best to use Facebook to keep in touch with your grandkids Find out what you should and shouldn't share on Facebook Use Facebook on your iPad or iPhone *Facebook for Seniors: Beginner's Guide* Matthew Hollinder,2015-04-10 Facebook is the most popular online social network Originally developed to connect college students Facebook is used by different people from around the world amounting to its 1.39 billion users The website gained popularity by providing an easy means of communication between people Instead of having to send several messages to different people about how you are doing you can post one update on Facebook to alert everyone It also allows you to share

pictures and other media with multiple people instantaneously creating simpler and faster communication More and more people join the network daily and the fastest growing demographic of users are in the age group of 55 and over proving that Facebook is no longer a network limited to teenagers and young adults People of all age groups and backgrounds recognize the value in the services it provides which is why Facebook has become a social buzzword because of its prominence in modern culture and interaction
