Forensic Interview Of Children Sample Questions

**Robin Vanderlaan, Kathleen Coulborn
Faller**

Forensic Interview Of Children Sample Questions:

Evidence-based Child Forensic Interviewing Karen J. Saywitz, Lorinda B. Camparo, 2013-08-09 Interviewers face a dilemma when questioning children in a forensic context an inherent mismatch between the needs of the legal system and the capabilities of young children This is especially problematic when legal decisions with potentially serious consequences depend on the results of the interview such as in cases involving eyewitness memory divorce and allegations of abuse and neglect Without accommodations to a child s developmental level interviews can result in false reports miscommunication and misinterpretation despite an interviewer s best intentions Evidence based Child Forensic Interviewing addresses this discrepancy and presents an innovative approach to close the gap by providing the scaffolding structure and guidance children need to perform optimally Created by Drs Karen J Saywitz and Lorinda B Camparo and outlined in this guide the Developmental Narrative Elaboration DNE Interview is an evidence based step by step process and set of techniques for forensic contexts designed to help children ages 3 12 accurately tell as much as they can about their experiences and perceptions The DNE is comprised of a developmentally sensitive core template and optional techniques that can be embedded at the interviewer s discretion as cases unfold This book reviews the relevant research and then with sample language transcripts and suggested activities details a three phased interview with examples This empirically supported guide is designed to meet the needs of both novice and seasoned professionals in mental health social service law enforcement and the legal system when children s input is needed for legal and social service decision making

Interviewing Children about Sexual Abuse Kathleen Coulborn Faller, 2007-01-11 A core issue for professionals responsible for addressing sexual abuse is how to correctly identify cases *Interviewing Children About Sexual Abuse* Controversies and Best Practice critically reviews the research and practice on the spectrum of issues related to interviewing the sexually abused child Its chapters cover all the most important topics that interviewers must keep in mind from the accuracy of children s memories to appropriate types of questions to include to the use of interview aids and within each chapter is a comprehensive review of research and practice leading to conclusions that can be used to guide practice in this most sensitive of assignments

The Routledge International Handbook of Legal and Investigative Psychology Ray Bull, Iris Blandón-Gitlin, 2019-09-11 *The Routledge International Handbook of Legal and Investigative Psychology* explores contemporary topics in psychological science applying them to investigative and legal procedures Written by recognized scholars from around the globe this book brings together current research emerging trends and cutting edge debates in a single comprehensive and authoritative volume Drawing from both research and practice this handbook highlights many important issues such as how to investigate and prosecute rape the value of emotional affect in homicide investigations and factors affecting jurors and suspects decision making By considering current research the authors inform both legal and investigative professionals of findings that are of direct relevance to them and the steps that can be taken to improve

efficiency This collection will inform investigative and legal professionals advanced psychology students academics researchers and policy makers It will also be of great interest to researchers from other disciplines including criminology policing and law
