An Exploration of Space 1999 Through the Lens of Fan Fiction: Forever Alpha John K. Balor, 2019-07-10 An essential introduction to a rapidly growing field of study AN EXPLORATION OF SPACE 1999 THROUGH THE LENS OF FAN FICTION gathers in one place the complete 2015-16 Online Alpha discussion of the SPACE 1999 fan fiction corpus with a focus on the FOREVER ALPHA fan fiction series Collected here are central viewpoints and arguments by Online Alpha

discussants that have dominated Online Alpha debates in recent years Editor John K Balor provides a cogent introduction that places each piece in its historical and intellectual context mapping the discussion and suggesting future trajectories The book has been developed on an idealistic basis It is sold at the lowest price the publisher was willing to accept A free e book version can be downloaded at www.lulu.com His Name Forever Iris A. Foreman,2011-06-23 If you have ever picked up a Bible attended a church or entered into a spiritual conversation with a Christian you are probably well acquainted with these two terms God and the Lord Both are frequently used in reference to the creator of the heavens and the earth For many people those words actually represent His name What about to you Is God His name Or is it the Lord His Name Forever is a must read for anyone who wants to know His true name It is a book that will help you understand why all those other terms ever used are not His Name Forever There is a Story Behind the Name of God that explains its significance to Him and to those who have worshiped Him in times past There is only one name that He revealed as His own Is that name even relevant today As you read you will see that this one name did not change but people did From the time of Seth in the Old Testament to the era of the Messiah in the New Testament the Almighty One had the same name This book will explain in an easy to follow way why so few people even today call Him by His name After reading this book that is well researched and supported by biblical and other historical documents you will be challenged to call Him by His Name Forever *Forever Finite* Kip K. Sewell,2023-08-01 INFINITY IS NOT WHAT IT SEEMS Infinity is commonly assumed to be a logical concept reliable for conducting mathematics describing the Universe and understanding the divine Most of us are educated to take for granted that there exist infinite sets of numbers that lines contain an infinite number of points that space is infinite in expanse that time has an infinite succession of events that possibilities are infinite in quantity and over half of the world's population believes in a divine Creator infinite in knowledge power and benevolence According to this treatise such assumptions are mistaken In reality to be is to be finite The implications of this assessment are profound the Universe and even God must necessarily be finite The author makes a compelling case against infinity refuting its most prominent advocates Any defense of the infinite will find it challenging to answer the arguments laid out in this book But regardless of the reader's position Forever Finite offers plenty of thought provoking material for anyone interested in the subject of infinity from the perspectives of philosophy mathematics science and theology Love Me Forever Barbara Cartland,2020-09-01 Rich powerful and handsome the Duke of Melyncourt is journeying to Paris on a secret mission for the British Prime Minister when he discovers that a bewitchingly beautiful flame haired girl has stowed away in his carriage As she is called has run away from the Convent where she is a novice and to which her unknown mother had entrusted her as a baby in arms It transpires that she fled to enjoy a last taste of freedom after for some reason the sinister Cardinal de Rohan insisted that she take her nun's Orders without delay far sooner than other novices would The Duke knows that this French Cardinal is not to be trusted and agrees after much pleading to take Am with him to Paris disguised as his pageboy It is not long before the

Cardinal's men are in pursuit enquiring whether the Duke has seen the missing novice And the Duke realises that there is something ominous afoot So begins an adventure in which Am and the Duke find themselves amid the turmoil between the Court of Marie Antoinette and subversive factions against the Queen led by the depraved Duc de Chartres With everything at stake including her life how can Am return to devote her heart to God when she has already given it to the Duke God, The Same Yesterday Today and Forever Steven B. Riddley, 2011-03-11 God The Same Yesterday Today and Forever From the beginning of time after the fall of Adam man has not understood his purpose in life on Earth The unknown mysteries of life have put man on a pursuit to find answers that are already before him This is where not knowing his creator who has all the answers It the enemy of our soul that has kept us from ever knowing the age old question What is truth The universal mysteries have put man on a pursuit of the infinity to his own short life span and dies never to find the answer Have you the reader ever looked at the wonders that are in this world and asked the question where did it all get its origin Is there some one out there greater than I I have found that there are people born with no knowledge of a higher intelligence than themselves We call them atheist Well this book is about to introduce you to the reality of there is a God and at some point in the time of your life here or in the hereafter you will meet him The fear of the unknown has caused us all without the knowledge of truth to create an inner world that exists in our thoughts that leads us to live a life of willing ignorance This reality block in our minds creates a false sense of security that is based in the material things of this world that can not talk speak or hear These are the idols we in a western world that have become the cymbals of achievements that we value as a reason for living Have you ever thought where these gifts to create these natural phenomena came from Well for seven years the God I serve has given me the answers to many of these questions about man the cosmos and planet Earth all of which he created I am sure that when you read this book the obvious signs will convince you of these realities we all have been a willing participants in the ignorance that have led up to our present state in the world Mark 8:36 KJV 36 For what shall it profit a man if he shall gain the whole world and lose his own soul **Daemons Are Forever** David Gordon White, 2024-05-31 A richly illustrated tapestry of interwoven studies spanning some six thousand years of history Daemons Are Forever is at once a record of archaic contacts and transactions between humans and protean spirit beings daemons and an account of exchanges among human populations of the science of spirit beings daemology Since the time of the Indo-European migrations and especially following the opening of the Silk Road a common daemological vernacular has been shared among populations ranging from East and South Asia to Northern Europe In this virtuoso work of historical sleuthing David Gordon White recovers the trajectories of both the inner demons cohabiting the bodies of their human hosts and the outer daemons that those same humans recognized each time they encountered them in their enchanted haunts sylvan pools sites of geothermal eruptions and dark forest groves Along the way he invites his readers to reconsider the potential and promise of the historical method in religious studies suggesting that a connected histories approach to Eurasian daemology may serve as a

model for restoring history to its proper place at the heart of the discipline of the history of religions **His Mercy Endures Forever** Mark G. Boyer, 2024-03-29 Because there is no single word that translates the Hebrew word *hesed* and the Greek word *eleos* multiple words are used in English biblical translations Mercy is the most frequently used word in English but forgiveness generosity pity and others are also used Using 106 biblical texts gathered from the Hebrew Bible Old Testament the Old Testament Apocrypha and the Christian Bible New Testament a representative sample of the various ways *hesed* and *eleos* are translated is presented in this book Each entry consists of a short title a few verses of Scripture a reflection a psalm response a meditation journal question and a concluding prayer The purpose of the book is to assist the reader's development of spirituality a deeper knowledge of divine mercy meditation on how he or she has experienced it and a closer relationship with God **Religions of Asia in Practice** Donald S. Lopez, Jr., 2018-06-05 The acclaimed volumes of Princeton Readings in Religions present the remarkable range of all that is encompassed in the practice of religions across the centuries and across the world Religions of Asia in Practice An Anthology brings together into a single volume the most important and fascinating selections from the volumes on Buddhism India China Tibet and Japan to give an overview of how religions have been lived by both ordinary and extraordinary people throughout the continent of Asia These materials many of which had never before been translated into any Western language include ritual manuals hagiographical and autobiographical writings popular commentaries instructions to children poetry and folktales Each is preceded by a substantial introduction in which the translator discusses the text's history and influence and guides the reader through points of potential difficulty and particular interest The volume includes in addition clear and compelling introductions to each of the major traditions Religions of Asia in Practice An Anthology offers a fascinating look at the spectrum of religious practices in Asia over almost three millennia As such it is ideally suited for use as a textbook in courses on world or Eastern religions as well as for the general reader **I Found It** Lionel Jean-Jacques, Sometimes a book's title speaks for itself Borrowing from one of Jesus' most succinct and poignant parables Lionel Jean-Jacques spreads his immeasurable exuberance in discovering and attaining the universe's greatest treasure Jesus Christ and His gospel Jean-Jacques opens the book with a personal start sharing his ups and downs in taking Scripture and spiritual matters more seriously and ultimately approaching the decision to be born again He incorporates notable Bible case studies to encourage readers to realize they are not alone in their struggles Nicodemus was hesitant Jonah was painfully stubborn The author diversifies his talking points eventually venturing into some critically unique elements of Seventh day Adventism Though it may seem like he strays from the title he knits things together nicely Understanding and accepting the Sabbath the state of the dead and embracing and participating in the three angels' messages are all part of selling everything one has to acquire the priceless Pearl Preparing for the calamities and deceptions of the end times goes hand in hand with the yearning to spend eternity with our Lord and Savior
