Accordion Dreams Blair Kilpatrick,2009-01-02 By age thirty nine Blair Kilpatrick had settled into life as a practicing psychologist wife and mother Then a chance encounter in New Orleans turned her world upside down She returned home to Chicago with unlikely new passions for Cajun music and its defining instrument the accordion Captivated by recurring dreams of playing the Cajun accordion she set out to master it Yet she was not a musician was too self conscious to dance and didn t even sing in the shower Kilpatrick s obsession took her from Chicago s Cajun dance scene to a folk music camp in West Virginia back and forth to south Louisiana and even to a Cajun festival in France An unexpected family move brought her to the San Francisco Bay Area home to the largest Cajun zydeco music scene outside the Gulf Coast There she became a prot g of renowned accordionist Danny Poullard a Louisiana born Creole and the guiding spirit of the local Louisiana French music community Engaging uplifting and illuminating a unique patch of the American cultural landscape Accordion Dreams
