How Much Is My Levis Jacket Worth:

Drugs, Crime, and Social Isolation Adele Harrell, George E. Peterson, 1992 **Society of Former Special Agents of the FBI** Turner Publishing, 1998-06 The Price Tom Reilly, 2010-08-13 Four young people graduate from one of America's finest universities NYU. They have been more than friends during their freshman years but for the class 2008 graduation brings the shock of reality as they face the real world. The NYU graduates decide to go their different ways unaware of the tragedies that will befall them in their pursuit of wealth and fame in the real world of materialism and man's inhumanity to man. Their families are from different walks of life from excessive wealth to working class. We live in an insanely competitive and individualistic world one that worships money, possessions, perfection, and celebrity that never let us take a step off the treadmill. This is a drama of insurmountable proportions where tragedy, murder, betrayal, fraud, and industrial espionage are all part of their tremulous journey in the real world and the reality that with every decision we make there is always a price.

Street Style Brent Luvaas, 2016-04-07 Winner of the 2019 John Collier Jr Award. Street style blogging has experienced a meteoric rise in popularity over the last decade. Amateur photographers often with no formal training in fashion have become critical arbiters of taste and trends influencing the representations that appear in magazines and on runways and putting new cities on the fashion world map. This cutting edge book documents the evolution of street style photography from the fieldwork photos of early anthropology to the glamorized snapshots that appear on blogs today and explores the structural shifts in the global fashion industry that street style has helped bring about. *Chronicling* author and anthropologist Brent Luvaas' experience over three years of blogging through vivid street imagery and rich ethnographic detail, this book turns the lens of street style photography back onto anthropology itself, arguing that the phenomenon is a powerful mode of amateur ethnography. Bloggers blur the distinction between professional and amateur, insider and outsider, self and brand. This book documents that blur from the ground level from the streets of Philadelphia to the sidewalks of New York Fashion Week. *Street Style* is an essential read for students and scholars of fashion, anthropology, sociology, media, and cultural studies and fans of street style photography alike. The Raven (Coffey & Hill Book #2) Mike Nappa, 2016-09-06 A thrill ride into the stark territory between grace and the letter of the law. Tosca Lee, New York Times bestselling author, as part of his regular street performance, a deception specialist who goes by the name The Raven, picks his audience's pockets while they watch. It's harmless fun until he decides to keep the spare wallet. A city councilman doesn't seem to miss, hoping for a few extra bucks. When he finds not money but compromising photos of the councilman and his personal assistants, The Raven hatches a plan to blackmail the man. However, he quickly finds himself in over his head with the Ukrainian Mafia and mired in a life-threatening plot code named *Nevermore*. Private investigators Trudi Coffey and Samuel Hill must scramble to sort out the clues and their complicated feelings for each other to rescue The Raven and save hundreds of lives from a wildcard bent on revenge. Mike Nappa snags readers from the first page of this fast-paced thriller and he never lets go until the end.
