How to Design a Robot

As a group of researchers in China's Hubei province, we have collectively written a letter, explaining a preliminary study. A letter from our colleagues in the U.S. has been sent to the Chinese government, and we have been told that they will consider our letter. But, until the U.S. government, including Congress, is able to remove such barriers, there is no way that we can do anything to help. We are all very concerned about the situation in China, and we are all very sorry for the people who are affected.
