Journeys Lesson Plans 1st Grade:

Teaching and Learning Online Franklin S. Allaire, Jennifer E. Killham, 2023-01-01 Science is unique among the disciplines since it is inherently hands on. However, the hands on nature of science instruction also makes it uniquely challenging when teaching in virtual environments. How do we as science teachers deliver high quality experiences to secondary students in an online environment that leads to age grade level appropriate science content knowledge and literacy but also collaborative experiences in the inquiry process and the nature of science? The expansion of online environments for education poses logistical and pedagogical challenges for early childhood and elementary science teachers and early learners. Despite digital media becoming more available and ubiquitous and increases in online spaces for teaching and learning, Killham et al 2014, Wong et al 2018, PreK-12 teachers consistently report feeling underprepared or overwhelmed by online learning environments. Molnar et al 2021, Seaman et al 2018. This is coupled with persistent challenges related to elementary teachers' lack of confidence and low science teaching self-efficacy. Brigido, Borrachero, Bermejo, Gunning, Duran, Duran 2004. Ideal for undergraduate teacher candidates, graduate students, teacher educators, classroom teachers, parents, and administrators, this book addresses why and how teachers use online environments to teach science content and work with elementary students through a research-based foundation. Lesson Plans in Fourth Grade History M. Annie Grace, Emma C. Monroe, 1917 Resources in Education, 2001 The Mathematical Journey of a Lifetime--Reader's Theater Script & Fluency Lesson Sarah Kartchner Clark, 2014-03-01 This reader's theater script builds fluency through oral reading. The creative script captures students' interest so they will want to practice and perform. Included is a fluency lesson and approximate reading levels for the script roles. *Mississippi Elementary School Curriculum, Grades I-VIII*.
