Integrating the Expressive Arts Into Counseling Practice, Second Edition Suzanne Degges-White, Nancy L. Davis, 2017-09-28 When I used it I felt it was a very valuable resource linking work with the arts to the theoretical foundations of counseling Sally S Atkins EdD Professor Emerita Founding Director of Expressive Arts Appalachian State They Students like the activities since it helps them learn more about the counseling theory which was discussed in the Theories of Counseling class It provides more application Some activities are pretty detailed and class time does not allow for much practice But we discuss how this could be used in therapy sessions groups The book is short and very pointed in its information and use We like it Judy A Schmidt EdD CRC LPCA University of North Carolina at Chapel Hill Expanded and revised to reflect a broader understanding of the complementary approach to therapeutic treatment this is the only text to integrate expressive arts counseling techniques with major theories of counseling and psychology Substantial changes to the second edition include new chapters that address Neuroscience and Counseling Trauma Informed Counseling Animal Assisted Therapy Mindfulness and Counseling and Family Counseling along with a greater emphasis on cultural and diversity considerations throughout The book is updated with over 30 new interventions including animal assisted and videographic interventions and new information about the neuroscientific foundations of expressive arts therapies Updated references in each chapter and a suite of Instructor s Materials also add to value of the second edition The text integrates expressive arts therapies with 12 commonly used treatment modalities Each chapter reviews a particular theory and describes how expressive and creative techniques can support and be easily integrated within that orientation Over 90 field tested step by step interventions created by leading practitioners offer students and clinicians techniques that can be put to use immediately New to the Second Edition New chapters address Neuroscience and Counseling Trauma Informed Counseling Animal Assisted Therapy Mindfulness and Counseling and Family Counseling and the Expressive Arts Cultural and diversity considerations in each chapter Updated with new references Over 30 new interventions including videography Instructor s materials Key Features Integrates expressive arts counseling techniques with 12 major theories of counseling and psychology Presents over 90 expressive art interventions in easy step by step format Includes art writing bibliotherapy drama music movement dance puppetry and sand play Discusses appropriate populations settings and diagnoses for each intervention Includes interventions that can be put to use immediately

Up to Speed Christine Yu, 2023-05-16 Up to Speed is a roadmap and toolbox for athletes of all ages Every coach should read it and discuss it with their athletes I wish I had been able to read this book while I was competing Kara Goucher Olympic long distance runner and author of *The Longest Race* How the latest science can help women achieve their athletic potential Over the last fifty years women have made extraordinary advances in athletics More women than ever are playing sports and staying active longer Whether they re elite athletes looking for an edge or enthusiastic amateurs women deserve a culture of sports that helps them thrive training programs and equipment

designed to work with their bodies as well as guidelines for nutrition and injury prevention that are based in science and tailored to their lived experience Yet too often the guidance women receive is based on research that fails to consider their experiences or their bodies So much of what we take as gospel about exercise and sports science is based solely on studies of men The good news is this is finally changing Researchers are creating more inclusive studies to close the gender data gap They re examining the ways women can boost athletic performance reduce injury and stay healthy Sports and health journalist Christine Yu disentangles myth and gender bias from real science making the case for new approaches that can help women athletes excel at every stage of life from adolescence to adulthood through pregnancy menopause and beyond She explains the latest research and celebrates the researchers athletes and advocates pushing back against the status quo and proposing better solutions to improve the active and athletic lives of women and girls
