Monthly Catalog of United States Government Publications ,2002-07 *Global Private International Law* Horatia Muir Watt,,Lucia Bíziková,Agatha Brandão de Oliveira,Diego P. Fernandez Arroyo, Providing a unique and clearly structured tool this book presents an authoritative collection of carefully selected global case studies Some of these are considered global due to their internationally relevant subject matter whilst others demonstrate the blurring of traditional legal categories in an age of accelerated cross border movement The study of the selected cases in their political cultural social and economic contexts sheds light on the contemporary transformation of law through its encounter with conflicting forms of normativity and the multiplication of potential fora **Clearinghouse Review** ,2008 **Amalgamated Journal** ,1923 *Poison Ivy*

Evan Mandery,2022-10-25 Next Big Idea Book Club Nominee October 2022 An eye opening look at how America s elite colleges and suburbs help keep the rich rich making it harder than ever to fight the inequality dividing us today The front page news and the trials that followed Operation Varsity Blues were just the tip of the iceberg *Poison Ivy* tells the bigger seedier story of how elite colleges create paths to admission available only to the wealthy despite rhetoric to the contrary Evan Mandery reveals how tacit agreements between exclusive Ivy plus schools and white affluent suburbs create widespread de facto segregation And as a college degree continues to be the surest route to upward mobility the inequality

bred in our broken higher education system is now a principal driver of skyrocketing income inequality everywhere Mandery a professor at a public college that serves low and middle income students contrasts the lip service paid to opportunity by so many elite colleges and universities with schools that actually walk the walk Weaving in shocking data and captivating interviews with students and administrators alike Poison Ivy also synthesizes fascinating insider information on everything from how students are evaluated unfair tax breaks and questionable fundraising practices to suburban rituals testing tutoring tuition schemes and more This bold provocative indictment of America s elite colleges shows us what s at stake in a faulty system and what will be possible if we muster the collective will to transform it The Writers Directory ,2013

Professional Historians in Public Berber Bevernage,Lutz Raphael,2023-07-24 The past decades public interest in history is booming This creates new opportunities but also challenges for professional historians This book asks how historians deal with changing public demands for history and how these affect their professional practices values and identities The volume offers a great variety of detailed studies of cases where historians have applied their expertise outside the academic sphere With contributions focusing on Latin America Africa Asia the Pacific and Europe the book has a broad geographical scope Subdivided in five sections the book starts with a critical look back on some historians who broke with mainstream academic positions by combining their professional activities with an explicit political partisanship or social engagement The second section focusses on the challenges historians are confronted with when entering the court room or more generally exposing their expertise to legal frameworks The third section focuses on the effects of policy driven demands as well as direct political interventions and regulations on the historical profession A fourth section looks at the challenges and opportunities related to the rise of new digital media Finally several authors offer their view on normative standards that may help to better respond to new demands and to define role models for publicly engaged historians This book aims at historians and other academics interested in public uses of history **Bulletin of the Atomic Scientists** ,1996-03 The Bulletin of the Atomic Scientists is the premier public resource on scientific and technological developments that impact global security Founded by Manhattan Project Scientists the Bulletin s iconic Doomsday Clock stimulates solutions for a safer world Headquarters USA ,2003 *BNA's Employment Discrimination Report* ,2010 *Best Life* ,2006-06 Best Life magazine empowers men to continually improve their physical emotional and financial well being to better enjoy the most rewarding years of their life *Transport Topics* ,1961
