**Gender and Conflict** Georg Frerks, Annelou Ypeij, 2016-04-15 Through an in depth analysis of the multifaceted manifestations of gender and conflict this book shows how cognition and behaviour agency and victimization are gendered beyond the popular stereotypes Conflict not only reconfirms social hierarchies and power relations but also motivates people to transgress cultural boundaries and redefine their self images and identities The contributions are a mix of classical ethnography performance studies and embodiment studies showing emotions and feelings often denied in scientific social research Strong in their constructivist approach and unorthodox in theory the articles touch upon the dynamic relation between the discourses embodiments and symbolic practices that constitute the gendered world of conflict The localities and research sites vary from institutional settings such as a school rebel movements public toilets and the military to more artistic domains of gendered conflicts such as prison theatre classes and the capoeira ring At the same time these conflicts and domains appropriate wider discourses and practices of a global

nature demonstrating the globalised and institutionalised nature of the nexus gender conflict A first set of chapters deals with breaking the gender taboos and renegotiating the stereotypical gender roles masculinities or femininities during conflict A second set of chapters focuses more explicitly on the bodily experience of conflict either physically or symbolically while the last set straddle body and narrative The inductive quality of the work leads to unexpected insights and does give access to worlds that are new and often surprising and unconventional The Routledge Handbook of Gender and Development Anne Coles, Leslie Gray, Janet Momsen, 2015-02-20 The Routledge Handbook of Gender and Development provides a comprehensive statement and reference point for gender and development policy making and practice in an international and multi disciplinary context Specifically it provides critical reviews and appraisals of the current state of gender and development and considers future trends It includes theoretical and practical approaches as well as empirical studies The international reach and scope of the Handbook and the contributors experiences allow engagement with and reflection upon these bridging and linking themes as well as the examining the politics and policy of how we think about and practice gender and development Organized into eight inter related sections the Handbook contains over 50 contributions from leading scholars looking at conceptual and theoretical approaches environmental resources poverty and families women and health related services migration and mobility the effect of civil and international conflict and international economies and development This Handbook provides a wealth of interdisciplinary information and will appeal to students and practitioners in Geography Development Studies Gender Studies and related disciplines Experimental Times DR.
