

# FILE PDF MIDDLE SCHOOL GRADUATION SPEECH SAMPLES

## **Certain Trumpets**

This “beautifully written and reasoned” (Booklist) narrative by Pulitzer Prize-winning author Garry Wills examines what constitutes meaningful leadership, and why it is so essential to society. What makes a leader? How do we identify effective leadership, and how should—and shouldn’t—that power be used? In *Certain Trumpets*, Garry Wills presents portraits of eminent leaders including FDR to Ross Perot, King David, Martha Graham, and many others, offering an illuminating lens for studying society and ourselves. Dividing these portraits into sixteen leadership categories ranging from military to charismatic, intellectual, rhetorical, and elected, Wills highlights what makes each of his subjects unique, crafting along the way a distinct and incisive definition of leadership as a reciprocal engagement between two contrasting wills that serves to mobilize us toward a common good, and explaining why leadership is so often a contentious and emotionally charged subject. “A stunningly literate and thoughtful examination of what makes a leader...[and] a welcome antidote to some of the more egregious ‘management style’ drivel,” (Kirkus Reviews), *Certain Trumpets* is an inspiring and edifying tour through the history of an indispensable social art.

## **This Is Water**

Only once did David Foster Wallace give a public talk on his views on life, during a commencement address given in 2005 at Kenyon College. The speech is reprinted for the first time in book form in *THIS IS WATER*. How does one keep from going through their comfortable, prosperous adult life unconsciously? How do we get ourselves out of the foreground of our thoughts and achieve compassion? The speech captures Wallace’s electric intellect as well as his grace in attention to others. After his death, it became a treasured piece of writing reprinted in *The Wall Street Journal* and the *London Times*, commented on endlessly in blogs, and emailed from friend to friend. Writing with his one-of-a-kind blend of causal humor, exacting intellect, and practical philosophy, David Foster Wallace probes the challenges of daily living and offers advice that renews us with every reading.

## **You Are Not Special**

An inspirational reflection on the way we bring up children that will resonate with all parents. David McCullough, Jr.’s high-school graduation address, dubbed *You Are Not Special* when it went viral on YouTube, was a tonic for parents, students, and educators alike. Now he expands on that speech with wit and a perspective earned from raising four children and teaching high-school students for nearly 30 years. In this humorous and insightful book, McCullough takes a hard look at helicopter parents, questionable educational goals, professional university coaching, electronic distractions, and more — and advocates for a life of passionate engagement.

## **The Leader in Me**

Children in today’s world are inundated with information about who to be, what to do and how to live. But what if there was a way to teach children how to manage priorities, focus on goals and be a positive influence on the world around them? *The Leader in Me* is that programme. It’s based on a hugely successful initiative carried out at the A.B. Combs Elementary School in North Carolina. To hear the parents of A. B Combs talk
