

# ELA Instruction

- **Teaching English Language Learners (ELLs)**
  - Most effective strategy for helping ELLs understand the meaning of unknown words & enhancing their comprehension:
    - Teachers should introduce vocabulary prior to reading the text by pairing the words with pictures/illustrations.
  - Have ELLs share ideas with a partner before sharing aloud with the class in order to increase confidence and participation (if they are known to have high English proficiency outside of class/in social settings).
  - For ELLs at the “speech emergence” stage of language acquisition, provide a list of unfamiliar words and idioms from the passage with their meanings.
  - How technology in the classroom can aid ELL reading comprehension & literacy/fluency
- **Language Acquisition Stages**
  - **Preproduction:** Minimal comprehension, nodding, pointing, and babbling (minimal verbal responses)
  - **Early Production:** Better comprehension, 1- or 2-word responses
  - **Speech Emergence:** Better understanding but still has difficulty efficiently communicating verbally
  - **Intermediate Fluency:** Great comprehension; makes fewer grammatical errors
  - **Advanced Fluency:** Equivalency of a native speaker; development of academic language
- **Methods for collaborative classwork**
  - Peer Tutoring
  - Writing Workshop
  - Group Investigation
  - Jig-Saw
