

A red Miele portable heater is the central focus, standing in a cluttered workshop. The heater has a black top handle, a circular air intake at the top, a digital display and control buttons in the middle, and a large red mesh grille at the bottom. To its right, on a workbench, lies a black electronic control unit with a green circuit board and several wires. The background is filled with workshop items: a pegboard with various tools, shelves with bottles of cleaning products, and other miscellaneous items. The floor is covered with a grey carpet.
