wells are permitted next to playgrounds In his quest for answers Briggles meets people like Cathy McMullen Her neighbors cows asphyxiated after drinking fracking fluids and her orchard was razed to make way for a pipeline Cathy did not consent to drilling but those who profited lived far out of harm s way Briggles first instinct was to think about fracking deeply Drawing on philosophers from Socrates to Kant but also on conversations with engineers legislators and industry representatives he develops a simple theory to evaluate fracking we should give those at risk to harm a stake in the decisions we make and we should monitor for and correct any problems that arise Finding this regulatory process short circuited with government and industry alike turning a blind eye to symptoms like earthquakes and nosebleeds Briggles decides to take action Though our field philosopher is initially out of his element joining fierce activists like Texas Sharon once called the worst enemy of the oil and gas industry his story culminates in an underdog victory for Denton now nationally recognized as a beacon for citizens rights at the epicenter of the fracking revolution Pocket Rough Guide San Francisco Charles Hodgkins,2014-03-03 The Pocket Rough Guide to San Francisco is your essential guide to this diverse city with information on all the key sights in an easy to use format Whether you have an afternoon or a few days at your disposal Rough Guides carefully curated itineraries help you plan your trip and the Best of San Francisco section picks out the highlights you won t want to miss Divided by area for easy navigation the Places section is written in Rough Guides trademark honest and informative style with listings of the must see sights and our pick of the places to eat drink and more The very best of the area selected by our expert authors Tailored itineraries and highlights to make trip planning easy Inspirational color photography brings the area to life on the pages Up to date background information including transportation details and a calendar of events Travel like you mean it with The Pocket Rough Guide to San Francisco Now available in ePub format
