Internet Resources and Services for International Real Estate Information Sheau-Yu J. Chao, 2001-02-28 You're investing in real estate, relocating to a new state or maybe moving to a new country. You go to the Internet, an endless source of information. But is it current? Is it accurate? Can you even find what you need? Here is an analytic guide to nearly 2000 real estate Web sites. Data for more than 220 regions, states and countries are divided into six sections representing the major continents. The book runs the gamut with data resources for broad geographical regions right down to individual localities including U.S. states. Indexes to Web site titles, key content, sponsors and country of origin make this guide essential to everyone from real estate practitioners, developers, bankers and investors etc. to students and researchers in the field.

Principles of Real Estate Practice in Mississippi Stephen Mettling, David Cusic, Ryan Mettling, Jane Somers, 2023-12-07 *Principles of Real Estate Practice in Mississippi* contains the essentials of the national and Mississippi real estate law principles and practices necessary for basic competence as a real estate professional and as mandated by Mississippi license law. It is based on our highly successful and popular national publication *Principles of Real Estate Practice* which is in use in real estate schools nationwide. The text is tailored to the needs of the pre-license student. It is designed to make it easy for students to learn the material and pass their real estate exam, prepare students for numerous career applications, stress practical rather than theoretical skills and knowledge. *Principles of Real Estate Practice in Mississippi* is streamlined, direct and to the point. It includes multiple learning reinforcements. It has a student-oriented organization both within each chapter and from chapter to chapter. Its examples and exercises are grounded in the authors' many years in real estate education.
