Corporate Governing in Latin America Jonathan Callund, Gonzalo Jiménez-Seminario, Neil Pyper, 2023-01-01 Grounded in institutional theories this volume offers a framework for understanding the evolution of corporate governance in the six leading Latin American countries namely Argentina Brazil Chile Colombia Mexico and Peru Applying inductive qualitative methods it postulates the notion of governing as a dynamic emergent and contextual process and traces its evolution and adaption to the different configurations of institutional logics in each country and the region as a whole over several decades Adopting corporate governance scandals as the lens through which to observe institutional change in each country this book reveals the sources of societal transformations identifying key lessons as well as meaningful setbacks along the way This edited collection helps appreciate the role and interactions of corporate elites stakeholders and watchdogs including the visible hands of government and multinational corporations presenting comparisons across the countries the region and the broader evolution of governing practices around the globe The result is a book combining scholarly rigor and practical relevance looking to serve as an emerging markets benchmark guide for practitioners researchers and thinktanks alike

The Politics of Investment Treaties in Latin America Julia Calvert, 2022 This book provides a timely examination of different governments response to investor claims It focuses on Peru Argentina and Ecuador countries that responded very differently to waves of investor claims

Handbook of Innovation Systems and Developing Countries Bengt-Åke Lundvall, K.J. Joseph, Cristina Chaminade, Jan Vang, 2011-01-01 The innovation systems IS approach emerged as a theoretical framework in the industrialized world in the mid 1990s to explain innovation and growth in the developed world This Handbook is the first attempt to adapt the IS approach to developing countries from a theoretical and empirical viewpoint The Handbook brings eminent scholars in economics innovation and development studies together with promising young researchers to review the literature and push theoretical boundaries They critically review the IS approach and its adequacy for developing countries discuss the relationship between IS and development and address the question of how it should be adapted to the realities of developing nations Spanning national sectoral and regional innovation systems across Asia Latin America and Africa and written by the world s leading scholars within the field this comprehensive Handbook will strongly appeal to academics

researchers and students with an interest in innovation and technology in developing countries Internationalization, Innovation and Sustainability of MNCs in Latin America Leonardo Liberman, William Newburry, 2013-11-08 As global and regional integration move forward firms must be innovative and sustainable when setting up operations in new countries and markets The AIB LAT book series presents research findings and theoretical developments in international business with special emphasis on studies focusing on internationalization innovation and sustainability in Latin America three increasingly interconnected and important issues for firms around the world Latin America continues to gather business and academic attention as the region plays a growing role in the global economy The chapters of this volume will further readers understanding of how business enterprises from and in Latin America strive to create and implement sustainable and innovative solutions while developing their international operations by presenting research findings from top scholars working in the region *International Business Scholarship* Jean J. Boddewyn, 2008-06-20 The AIB Fellows Group includes top researchers educators and administrators in the IB field This book covers the growth of several functional areas marketing advertising and finance It reviews problems of methodological rigor in IB research It also traces the history and evolution of IB studies Innovation from Emerging Markets Fernanda Cahen, Lourdes Casanova, Anne Miroux, 2021-03-25 In recent years emerging markets have come to represent the largest share of global GDP and have made gains in economic development and political influence In turn emerging market companies have taken on a new level of importance in driving innovation local development and global competition Advancing an integrative view that captures the diversity of innovation among companies in emerging markets this book highlights the rapid evolution of emerging markets from imitators to innovation leaders Building upon research conducted by the Emerging Multinational Research Network EMRN in collaboration with several universities in North and South America Europe and China this rich and expansive collection includes studies of innovation in regions yet to receive focused analysis in the field The authors also re examine dominant theories of innovation and capability creation based on a broad range of case studies and research insights Offering a taxonomy of emerging market innovations this collection reveals the unique drivers types and outcomes of innovation in emerging markets Marketing Aspects of International Business G.M. Hampton, A. van Gent, 2012-12-06 The old ways break down times change and new life blossoms from the ruins Frederick Schiller These words of a great poet express a basic fact of life the inevitability of change If marketers were asked to envision the future they would not hesitate to answer that the entire globe is involved in a human revolution like no other in history The changes now taking place in both industrially developed and developing nations are indications of the problems challenges and opportunities confronting future economic growth and development Perhaps the most prominent characteristic of this change is the growing economic interdependence of all nations Today it seems quite unnecessary to point out that any nation's problems and opportunities anywhere are now every nation's problems and opportunities everywhere This economic and business interdependence on a

global scale is the new reality regardless of whether we want to accept it The task ahead for all corporate managers becomes one of adapting to this new international business reality It also requires them to assume the leadership role in helping individuals of all nations to become more and more aware of their mutual need for another s products and services Today every corporation whether confined within one nation or not operates in this dynamic changing international business environment **Multinational Enterprises and Emerging Economies** Klaus E.Meyer,2020-03-28 Guided by the overarching question how and why does the emerging economy context matter for business this collection brings together key contributions of Klaus Meyer on multinational enterprises MNEs competing in and originating from emerging economies The book also explores how outward investment strategies contribute to building internationally competitive MNEs

Emerging Economies and Firms in the Global Crisis Marin Marinov,Svetla Marinova,2012-11-14 Comprised of chapters that explore the impact of the global crisis on emerging economies and firms and their response to it The ways in which the leading emerging economies of Brazil Russia India and China are dealing with the challenges of the crisis are complemented by the methods applied by countries and firms in Central and Eastern Europe Who's who in International Business

Education and Research William F. Shepherd,Iyanatul Islam,Sankaran Raghunathan,1999-01-01 This work is recommended for corporate libraries whose companies are involved in international business and for academic libraries affiliated with colleges of business Kay M Stebbins Choice This project is distinctive in that it really is a Who s Who rather than a directory of all scholars engaged in international business education and research Demystifying Chinese Management Malcolm Warner,Chris Rowley,2015-10-14 Today with a new leadership in place the People s Republic of China enters a challenging new phase as an emerging economic superpower The Chinese economy has dramatically changed over the three decades since Deng Xiaoping launched his economic reforms in 1978 It has been transformed from a command economy dominated by state owned enterprises to a market socialist economy with a wide range of ownership forms both public and private In turn its managers and management have correspondingly undergone a major sea change This edited collection attempts to demystify Chinese management highlighting recent research into these significant changes and their implications in a wide range of business enterprises both in China and overseas It points to the strategic challenges and issues in terms of realizing the managerial version of the Chinese Dream The topics covered include business schools in China corporate social responsibility financial services impression management international human resource management international competitive strategy choices internationalization of firms and the role of science parks The book was originally published as a special issue of Asia Pacific Business Review **Cases on Corporate Social Responsibility and Contemporary Issues in Organizations**

Antonaras, Alexandros,Dekoulou, Paraskevi,2019-02-15 The last decades witnessed a vigorous debate over the role of corporations in society Interest in corporate social responsibility CSR has become intense as corporate stakeholders have called for higher performance and ethical standards from businesses and many corporations have

developed CSR programs to harvest the benefits resulting from such initiatives CSR practices have become a crucial component of business strategy contributing to organizational success and sustainable competitiveness Cases on Corporate Social Responsibility and Contemporary Issues in Organizations is an essential reference source that provides specific case studies that elaborate on the strategies and policies enacted by contemporary organizations to address environmental and social issues as well as economic and financial ones Featuring research on topics such as sustainable development goals CSR pillars employee retention gender equality and social accountability this book is ideally designed for business managers researchers practitioners and students seeking coverage on innovative business practices enacted in multiple organizations industries
