Ella And Micha Infinitely And Always:

Ella and Micha Jessica Sorensen, 2014 A Secret Series Novella After five years of marriage Ella couldn't be happier Her job is great Her marriage is amazing But when she receives some surprising news her world is turned upside down Micha loves being a musician but being on the road and away from Ella is difficult When the industry begins to put pressure on him to change his image he makes a choice one he fears is going to drastically change Ella's and his future forever That is until he learns Ella has a secret one that makes his career choice seem hugely insignificant **Sugar Cookies & Zombie**

Secrets Jessica Sorensen , A woman who can talk to zombies A sheriff who knows more than he's letting on A murder Hollows Grove is full of secrets My name is Harlynn and three months ago I woke up in the small town of Hollows Grove with no recollection of who I am and surrounded by zombies no one else could see I may have lost it right then and there but thankfully a snarky woman named Miss May took me in and helped me get onto my feet Now I spend my time attempting to live a semi normal life while trying to ignore the pesky zombies that won't seem to leave me alone But when a man ends up dead at the town bake sale and Miss May is the main suspect I may have no choice but to turn to the zombies for help Well that and Kingsley the town sheriff who might be the most gorgeous guy I've ever seen But he might be hiding just as many secrets as I am **Isa & the Guy Next Door** Jessica Sorensen , I've always been the girl that never fit in This is kind of a

problem since I've had a huge crush on Kyler my next door neighbor who's one of the most popular guys in school But I'm pretty sure he's never going to see me as anything else except the weird girl who lives next door And that's okay I've learned to accept that I have bigger problems to worry about anyway like the fact that my family has been keeping a secret from me for years It's something that's always bothered me so when I take a summer trip overseas with my grandma and cousin I decide to poke around and see if I can solve the mystery But solving an old family secret is proving to be more complicated than I thought Enter Kai Kyler's younger brother Kai used to be my sworn enemy but now he's offering to help me figure out the mystery surrounding my family I'm not sure why he wants to help me but I guess there's no harm in it What we end up discovering though is way darker than I ever could've imagined **The Rules of Being Friends** Jessica Sorensen , My new

life in Honeyton is becoming complicated It all starts when I hear my uncle talking about some sketchy stuff that may have to do with me I also think there might be more to Hunter and his friends than they're letting on like maybe we've met before Not that everything is terrible Hunter and his friends are nice to me and they've brought me into their group For the first time I think I might finally have some friends But a lot of mystery still surrounds me And I'm still being blackmailed by someone I need to figure out the truth about my past and fast **Breathing Undead Lies** Jessica Sorensen , Late one night I died on Hallows Hill And then I came back from the dead I'm not sure how it happened All I know is that I'm not the same person as I was before I died I've started seeing things that shouldn't be real and I feel this strange pull toward Kingsley a guy I used to think was dangerous but now I'm not so sure he is And I'm pretty sure the people closest to me are lying about

something I'm also pretty sure my death wasn't an accident I need to figure out what happened to me before I end up dead Again **Enchanted Chaos** Jessica Sorensen, 2019-07-15 Skylin has always lived a fairly normal life Well except for the fact that whenever her emotions run high strange things occur like fires starting out of nowhere or the ground freezing over But the worst part is that a kiss from her will knock a person unconscious Still her life hasn't been too terrible until the day her parents vanish into thin air and she's shipped off to live with her father's friend and his six sons Skylin isn't sure if she can survive the chaos that is the Everetts family But she doesn't have a choice unless her parents are found so she tries to make the best of the situation and befriend the Everetts even though not all of them are fans of her especially Foster a guy she once had a crush on until he opened his mouth But it turns out that the Everetts aren't your typical family and Skylin soon realizes she's not the only person in the world with strange abilities And in order to survive the dangerous magical world she's thrown into full of magic and powerful gods and goddesses she'll have to put her trust in not only the Everetts but Foster as well This is a full length coming of age romantasy fated mates romance novel and Sky and Foster's story will wrap up in book 2 Shimmering Chaos which is now available *Forget Me Not* Jessica Sorensen, Being the new

girl is always hard especially when you're socially awkward But when I move to Honeyton at the beginning of my senior year I try to look at it as a chance to start over And it kind of looks like I might succeed Not only do I make a new friend but I also meet Hunter Hunter is from a wealthy and rumor has it dangerous family He's known as the town bad boy and everyone in school seems to be afraid of him But he doesn't seem that scary to me and I end up becoming friends with him But not everything in this new town is what it seems Ever since I moved here I've started having dreams that I've been to this town before And everyone seems to have secrets Including Hunter Includes books 1-3 in the A Pact Between the Forgotten Series The Art of Being Friends The Rules of Being Friends and The Art of Kissing **Wreck Me** Jessica Sorensen, 2015-04-15 I'd heard stories of near death experiences although the tales never seemed to be the same Me I saw many things My son Myself My sins The stars And I also felt The feeling wasn't about me but about another as if someone was calling out to me begging me to come back That they needed my help Then the stars burned out And I thought I had died But I was wrong When Avery Hensley met Conner Wellings she thought she'd found the guy she was going to spend the rest of her life with She got married young and had the most beautiful son in the world Life seemed perfect But not everything is what it seems Turned out Conner had another side to him a darker side that Avery didn't see coming He wrecked and broke her into a thousand pieces leaving Avery to put herself back together From then on Avery vows never to let a man into her life again But then she meets Tristan Morganson He's sweet and sexy and wrecks Avery in a different way than Conner did the kind of way that makes her feel alive again the kind of way that makes her think maybe not all guys are bad But can Avery trust him enough to let her walls come crumbling down *Ruin Me* Jessica Sorensen, 2015-04-20 A part time student CNA and caretaker for her slightly deranged mother Clara McKinney doesn't have time for a relationship That's why her friends with benefits

arrangement with sexy and ridiculously charming Jax Hensley works perfectly But Jax has other ideas The moment Jax met Clara he was instantly drawn to her wittiness confidence and gorgeous smile Even though he agreed to the friends with benefits arrangement he secretly hopes for more than their weekend hook ups When Jax s estranged mother mysteriously disappears he sees an opportunity to spend more time with Clara After convincing her to return home with him a new agreement is made One road trip and week together to find out why his mom vanished into thin air Things are about to get complicated

Cursed Hadley Jessica Sorensen , My life has always been extremely cursed At least that s what I thought until my dad moves us to the rural town of Honeyton and right next door to the Porterson brothers That s when I realize my cursed life can get even more cursed The Porterson brothers are all gorgeous and arrogant and won t leave me alone That s okay though I m going to get them back Or so I plan to But during my endeavor for revenge I find out the Porterson brothers aren t what they seem They re dangerous a little bit okay a lot insane And I m pretty sure they re not human since I caught them drinking souls Maybe I m going crazy If I m not though then I may be in some serious danger This is the slow burn why choose paranormal fantasy version of my novel Chasing Hadley where the main character has more than one love interest It contains steamy scenes with a drop of suspense mystery mayhem steaminess and magic
