Emerald Silk Coin Forest Book 2:

Blue Eclipse Book Ii Patrick Joseph, 2020-11-12 A poetic story rhyme that is a compilation of scripted youthful times Within these pages is a shard from a greater story that chronicles the legacy of characters meant for the entertainment each individually purposed for a grand design And as the wheels of fate turn each character will play their part unable to understand the greater role they partake in within the great theatrics of the world play Each figure within this are pulled from historical sources past and present with subtle liberties to flesh out the true nature of their character So as disparate destined paths cross into the other and intersect the fiery ambition they posses will become their sword while the purity of their immortal soul will become their shield individually designed to protect a sincere dream while defending their outer shell from being torn away from this mortal coil And as each soul delves beyond the grip of the unfamiliar of their opening acts a threshold would demand to be crossed as they individually with warm hearts and open minds yearn for meaning as they individually await a glimpse of their true purpose escaping the confines of ephemeral restraints to push to a space that exists beyond sight
