In fact, 90% of English File teachers we surveyed in our impact study found that the course improves students' speaking skills. How will English File get your students talking? Lessons and activities that provide the necessary language motivation and opportunity for students to talk with confidence. Learners build confidence to communicate with a proven balance of Grammar Vocabulary Pronunciation and Skills Development in every File. Teachers and students have access to all their English File resources: video, audio, worksheets and much more in one easy-to-manage place. **American English File 3E Starter Workbook** Christina Latham-Koenig, Clive Oxenden, Jerry Lambert, 2020-07-28 American English File Second Edition retains the popular methodology developed by world-renowned authors Christina Latham-Koenig and Clive Oxenden: language motivation, opportunity, grammar, vocabulary and pronunciation practice in every lesson. Students are equipped with a solid foundation for successful speaking. Plus, an array of digital resources provides even more choice and flexibility. Students can learn in the classroom or on the move with Online Practice language assessment. The first goal is to explore the difference between fairness and justice in language assessment. The authors distinguish internal and external dimensions of the equitable and just treatment of individuals taking language tests, which are used as gatekeeping devices to determine access to education and employment, immigrant status, citizenship and other rights. The second goal is to show how the extent

of test fairness can be demonstrated and improved using the tools of psychometrics in particular the models collectively known as Rasch measurement This book will have an enormous impact on the field of language assessment Using Rasch analysis models to explore and identify sources of unfairness the authors make a compelling case for fairness in the design and implementation of language assessment instruments and for justice in the interpretation and use of test results A real strength of the book is that it guides readers through analytical techniques in an accessible way Dan Douglas Professor Emeritus Applied Linguistics Program Iowa State University
