

# Summer English Language Arts Packet

## Students Entering Grade 6

There are many things that can be given to help your child's literacy skills stay strong throughout the summer. This packet includes reading, writing and word study activities that will challenge your child and may even make them laugh. Having said that, if time does not allow these activities to get done—it is okay. The single most important way to strengthen your child's literacy skills can be summed up in one word:

This cannot be encouraged enough. Visit the library and make books a part of your summer days. Set aside time to read books, listen to books, watch videos of books, and discuss books every day. Flip through magazines, comics, picture books and graphic novels together. Most importantly, let your child see you read—to yourself and to them. Let them hear your silly voices. Let them tell you the best parts and predict how it will end. Point out your favorite words, sentences or pictures. Sharing in the excitement that comes from reading is the most important step to creating life-long learners!

If you do wish to challenge your child with the activities in this packet, it will be helpful to have the following tools:

- + A Literacy Notebook
  - Option 1: A single-subject spiral notebook
  - Option 2: 20 loose-leaf notebook pages stapled together
  - Option 3: A digital journal created on a computer or iPad
    - Power Point, Keynote, Pages, Microsoft Word, Padlet
- + A stack of index cards
- + Pens, pencils
- + Bonus: Access to the internet (most activities will have a tech-free option!)

The packet consists of three calendar pages (June, July and early August) containing a total of 27 challenges. There is one writing activity and one reading activity for each week. Every month also includes two word-study options. We encourage your child to complete 30 activities by the end of the summer. For additional guidance, this packet also contains Reference Sheets (for tech-free options) and sample comprehension questions, literary terms and additional learning websites. Once the new school year starts, your child can share his/her Literacy Notebook with his/her new teacher and talk about all that was learned and experienced.

Stay safe. Stay connected. Have a wonderful summer!
