Sanctioned Savagery Michael Oriard,2025-07-22 American football was a violent sport from its beginning as a college game in the 1870s and 1880s in part because learning how to deal with the pain and violence to take it made men out of college boys Michael Oriard former NFL linebacker and professor emeritus of English shows us that this fundamental belief persisted for more than a century until signs of chronic traumatic encephalopathy CTE were found in Pittsburgh Steelers center Mike Webster's brain Suddenly the cost of taking it could mean long term damage not just to the body but also to the brain Without anyone knowing it that risk had soared since the 1950s and 1960s when the hardshell plastic helmet became the primary weapon for blocking and tackling as taught by a new generation of college coaches led by the University of Alabama's Bear Bryant In this cultural history of football at nearly all levels high school college and pro Oriard traces the perennial tension between health and culture regarding football as reflected in what the public read in newspapers magazines and online Through examining how we once felt and how we now feel about the game Oriard challenges us to grapple with the possibility that football might be too violent in an intolerable way

[The Cuban Missile Crisis in American Memory](#) Sheldon M Stern,2023-05-25 Marshals irrefutable evidence to succinctly demolish the mythic version of the crisis sober analysis The Atlantic This book exposes the misconceptions half truths and outright lies that have shaped the still dominant but largely mythical version of what happened in the White House during those harrowing two weeks of secret Cuban missile crisis deliberations More than a half century after the event it is surely time to demonstrate once and for all that Robert F Kennedy's Thirteen Days and the personal memoirs of other ExComm members cannot be taken seriously as historically accurate accounts of the ExComm meetings This book from the first historian to listen to and evaluate the White House tapes made during the crisis does exactly that Stern is not alone in

questioning the precision of the transcripts offered but he has made the most painstaking attempt to clarify what was really said and done *Journal of American History* **Creating with Coluzzle** Desiree Tanner, Kipi Ward, 2000-02 *Sunset* , 1928
