Steve Richards,2006-06-02 Have you ever thought about driving a big truck Have you ever even just wondered what really goes on in the world of eighteen wheelers Can you be a trucker It looks interesting but it must be complicated How can anyone even begin to maneuver one of those huge monstrosities Trust me you can do this Not only is it possible for almost anyone to successfully navigate into the world of transportation but you will be helping out a necessary part of the economy and one that is constantly and even desperately in search of drivers There is no employment for a big rig driver Let me show you how to do it all Everything you will ever need to know is right here in these pages including how to find some of the most incredible jobs and many things that you are not supposed to know about And there are MANY things you are not supposed to know about So jump on it and learn what it takes to get paid to do what others are willing to pay for the privilege of doing With me as your tour guide you will be able to get out and see sights be a permanent vacation and you will learn just what it takes to become happily involved as a Professional Tourist Bumper to Bumper ,2003 Textbook for tractor semitrailer operations fourth edition includes current information on hours of service hazardous materials cargo securement in cab technology trucking industry history U S regulations procedures descriptions of systems components use maintenance requirements troubleshooting safe driving economy driving regulated activities Includes end of chapter tests Observation Skills Tests illustrations index Truck Nuts Kent Sundling,Andre Smirnov,2016-09-27 Sundling and Smirnov talk complicated auto topics in an accessible funny way that even truck novices can chuckle at and appreciate Nikki Work editor of The Fence Post A 1 Automotive Buyers Guides Bestseller So truck nuts your truck is your career your office your passion your attitude What is the best truck for you Kent Mr Truck Sundling from MrTruck com and Andre Smirnov from The Fast Lane Trucks will explore that question and more in their book Truck Nuts Learn about small trucks big trucks diesel trucks family trucks and vans pickup trucks and much more Truck Nuts takes on the challenge of breaking down all the ins and outs of trucks including How to match your truck to your trailer Top 3 MPG trucks Used truck judging Gas or diesel engine Understanding truck and trailer tires Truck safety Going off the beaten path The future of pickup trucks Oil change myths A fun in depth read about the pick up truck industry Kent Andre have an undeniable passion for the truck industry and it is clear in their work They get to experience the behind the scenes testing of trucks to help educate us on our truck buying decision If you re even a little nuts about trucks you ll enjoy and certainly learn more with this unique book Ben Janssen sales director of Cimarron Trailers truck owner enthusiast Kent s writing style is way more than entertaining it is information you can t get from anywhere else This guy knows more about trucks than anyone I know If you own a truck or want to this is required reading Dave Mattern HorseTrailerWorld com WorkingTruckWorld com **Decisions and Orders of the National Labor Relations Board** United States. National Labor Relations Board,1936 The Big Rig Steve

Viscelli,2016-04-12 Long haul trucks have been described as sweatshops on wheels The typical long haul trucker works the equivalent of two full time jobs often for little more than minimum wage But it wasn't always this way Trucking used to be one of the best working class jobs in the United States The Big Rig explains how this massive degradation in the quality of work has occurred and how companies achieve a compliant and dedicated workforce despite it Drawing on more than 100 in depth interviews and years of extensive observation including six months training and working as a long haul trucker Viscelli explains in detail how labor is recruited trained and used in the industry He then shows how inexperienced workers are convinced to lease a truck and to work as independent contractors He explains how deregulation and collective action by employers transformed trucking's labor markets once dominated by the largest and most powerful union in US history into an important example of the costs of contemporary labor markets for workers and the general public *Stories From The Road* Don Taylor,2022-03-16 This book chronicles my thirty plus years in the transportation industry Starting as a taxi driver during a transit strike to driving Long Combination Vehicles measuring over 120 feet long weighing over 130 000 lbs My travels have taken me to all of the lower forty eight states and all Canadian provinces except Newfoundland Some of the stories are quite humorous others are quite tragic All have had a lasting effect on me Cross-border Trucking with Mexico United States. Congress. Senate. Committee on Appropriations. Subcommittee on Transportation and Housing and Urban Development, and Related Agencies,2008 *Data Driven* Karen Levy,2024-06-18 A behind the scenes look at how digital surveillance is affecting the trucking way of life Long haul truckers are the backbone of the American economy transporting goods under grueling conditions and immense economic pressure Truckers have long valued the day to day independence of their work sharing a strong occupational identity rooted in a tradition of autonomy Yet these workers increasingly find themselves under many watchful eyes Data Driven examines how digital surveillance is upending life and work on the open road and raises crucial questions about the role of data collection in broader systems of social control Karen Levy takes readers inside a world few ever see painting a bracing portrait of one of the last great American frontiers Federal regulations now require truckers to buy and install digital monitors that capture data about their locations and behaviors Intended to address the pervasive problem of trucker fatigue by regulating the number of hours driven each day these devices support additional surveillance by trucking firms and other companies Traveling from industry trade shows to law offices and truck stop bars Levy reveals how these invasive technologies are reconfiguring industry relationships and providing new tools for managerial and legal control and how truckers are challenging and resisting them Data Driven contributes to an emerging conversation about how technology affects our work institutions and personal lives and helps to guide our thinking about how to protect public interests and safeguard human dignity in the digital age *Evaluating the Effectiveness of DOT's Truck and Bus Safety Program* United States.
