**The Great Journey** Bonnie M. Gulan, 2002-04-19 Think In Mark 12 24 Jesus said Are you not therefore deceived not being acquainted with the Scriptures nor yet the Power of God Be knowing the Scriptures are the Word the complete expression of God's Thought and contain the Power of God's Thought The Bible on the other hand is but the letter men's letters men's interpretations of the Scriptures and contain not the Power of God's Word but contain only the force of men's reasoning men's intellect One could say that the Bible is but the survey for the Scripture Digs The Great Journey in Pursuit of Jesus Way Truth Life is my personal daily journal during the years of 1998 and 1999 Everything I write is hand written so great care was taken in transcribing my written journal into this format By great care I mean transcribing word for word along with their misspellings and errors so that it would allow you the reader to travel with me every day In this journal I share what I took notice of and took notes on during my journey Some things I perceived during this journey gave me new questions to question as well as answers to questions that I have repeatedly asked myself over many years Travel with me through my 1998 1999 journal as we embark on this Great Journey in pursuit of Jesus Way Truth and Life

**Genesis God Said It... a Thirty- Day Journey & Conversations** Ethel Green,2015-01-14 The beginning of all beginnings is proclaimed in Genesis God began by creating the physical world and people with spiritual

qualities soul and spirit Genesis becomes part of the discipline of Bible reading and study begun by many each new year Why not start at the beginning we ask With that desire in place my husband and I picked The Daily Bible In Chronological Order 365 Daily Readings TDB I spent extra time searching out the words of God which contributed part of the title for my book GOD SAID IT The expanded title by adding A THIRTY DAY JOURNEY became the impetus for an expanded devotional based on Gods words and topics selected from them Gods highest creation manincluding womanspent their first day resting along with their creator WOW Wouldnt you have liked to hear the conversation between them It was Creator to created Father to child CONVERSATIONS are imaginary words of God as He and the people of Genesis interact The journey of Gods children developed into historyHis story It is also the story of those who would be called Gods chosen people the Jews Some conversations extolled characteristics of heroes of the faith mentioned in Hebrews eleven *The Mystical Journey to Divine Union* John Paul Thomas,2018-04-23 Journey through Exodus Mike Newberry,2023-03-27 In my years of studying the Bible I have found several spiritual principles to be very appealing I have read the promises about the possibility of being an overcomer In the seven letters of Revelation 2 and 3 one reoccurring thing is the promises to the overcomers If one thinks about it you can either be an overcomer or be overcome The choice is easy I would rather be an overcomer I have read the verses about the possibility of living life daily aided by heavenly wisdom Listen to James 1 5 If any of you lack wisdom let him ask of God that gives to all men liberally and upbraids not and it shall be given him I have often asked the church On any given day how often do we need the wisdom to make decisions and find needed direction To answer that question with one hundred would be conservative To add to wisdom we are told that we can tap into the heavenly supplies of strength energy power and patience According to James 1 5 God s not going to fuss at you if you keep coming back again and again asking for more The key to these and all the promises of the Bible are found in the discipline of a daily quiet time When I was in college with God s help I developed this discipline to attribute any spiritual success any success in my Christian life to the help I have found in this daily time with God and my Bible To remove any excuses I have written devotionals for my church We have started in chapter 1 verse 1 of a book in the Bible and have worked our way through it We have covered Genesis Exodus Philippians and Leviticus to mention a few and as long as God gives me strength we will continue The pages in this book contain our thoughts and our understanding of our journey through Exodus **The Inner Journey** Osho,2023-03-12 I would like to talk about the first step for a meditator a seeker What is the first step A thinker or a lover follow certain paths but a seeker has to travel on a totally different journey For a seeker what is the first step on the journey The body is the first step for a seeker but no attention or thought has been given to it Not only at certain times but for thousands of years the body has been neglected The neglect is of two kinds Firstly there are the indulgent people who have neglected the body They have no experience of life other than eating drinking and wearing clothes They have neglected the body misused it foolishly wasted it they have ruined their instrument their veena If a musical instrument for example a veena is ruined music cannot arise out of

it Music is an altogether different thing from the veena music is one thing the veena is another but without the veena music cannot arise      *Journey Beyond Love* Ashish Chand, It is necessary to know about functionality of your physiological and psychological body parts in order to have any wholesome understanding about your life Does this statement have any meaning for you If being wholesome is being holy then what is the Journey to it In all the cultures of the world but Hinduism there is no concept of rebirth Only an Indian has to work for stopping his cycle of rebirths Does liberation comes to all people but Indians automatically Is it so that what is almost impossible to achieve for an Indian is most certainty available to all non Indians What is the life beyond love      *Journey With His Voice* Becca Gunion MCC,2023-07-28 This is the sequel to Journey to His Heart In each book the main character takes an adventure with Jesus by personalizing Scripture Self reflective questions are essential to this adventure If you are looking to grow deeper in your understanding of the love of God displayed in the life death resurrection and ascension of Jesus then you will enjoy this journey      *Journey to the Manger* Paula Gooder,2016-11-01 Journey to the Manger explores the New Testament s various accounts of the birth of Jesus their origins in Old Testament prophecies the genealogies the angelic announcements the journeys and arrivals and the aftermath of Jesus birth for the powerful and the poor alike Engaging seriously with biblical and historical criticism Paula Gooder uncovers key similarities running through the Gospel writers accounts and focuses on their shared understanding of the significant events they describe Her detailed exploration of the texts is a gold mine for preaching and teaching and will breathe new life into the familiar Christmas stories heard year after year in churches hymn sings and nativity plays Devotional reflections and discussion questions also make this ideal for personal and group study Rooted in the conviction that greater understanding of the Bible leads to deeper discipleship this is an essential resource for preachers teachers and study group leaders as well as those who simply wish to get to know the Bible better      **Knowing God through Journey and Pilgrimage** Seung Yeal Lee,2011-04-01 The Hebrew Christian Scriptures include many allusions to pilgrimage customs and practices yet the information is scattered and requires a considerable amount of reconstruction It is posited that the pilgrimage paradigm including the journey motif has influenced the thought patterns of the writers of both the Old and New Testaments To follow Jesus journey to Jerusalem on the three feasts of pilgrimage in Luke Acts and John and their relevance to the way he revealed himself and taught his disciples this work begins with the creation and patriarchal narratives examining how the pilgrimage paradigm relates to discipleship Reviewing the history of the people of God including the Exodus the Exile and restoration this book establishes the significance of pilgrimage as a paradigm for Israel that eventually shapes Judaism Seung Y Lee points us to a neglected fact that the three feasts of pilgrimage have developed their own characters and meanings for the momentous events in the history of Israel and both Luke Acts and John reflect the significance of the pilgrimage paradigm for Jesus self understanding and his teaching      **Journey through Loss Grief Journal** Dr.Samuel Shamaun ,2024-04-03 Journey through Loss Grief Journal is a deeply empathetic and reflective companion designed to accompany individuals
