*Private International Law and Arbitral Jurisdiction* Faidon Varesis, 2022-12-23 International commercial arbitration and litigation are often seen as competing fora fields of law or markets This intersection is at its highest at the forefront of any proceedings at the jurisdictional stage The analysis of jurisdictional issues at the forefront of an arbitration has been confined in a descriptive analysis of the law and jurisprudence dealing with jurisdictional intersections almost in a mechanistic manner These are not however issues which can be treated as mere mechanical rules They are issues pertaining to core notions of authority sovereignty their origins and their allocation At the same time the pragmatic and practical domination of party autonomy is a fact which cannot be disregarded when one considers the normative and theoretical foundations of any model of dealing with these issues This book moves beyond an analysis of arbitration and jurisdiction clauses to reconcile theory and practice and provides an underlying theoretical model to explain and regulate jurisdictional intersections at the early stages of an arbitration from a private international law perspective It

combines both an in depth engagement with the theoretical literature as well as a close examination and analysis of its practical consequences in the form of a restatement of the law of England and Wales From a methodological perspective it utilises contemporary theories in private international law to propose a coherent model of regulating arbitral jurisdictions which promotes autonomy and freedom of the parties at this stage Demonstrating first how the theoretical model can be applied in practice and second to provide a basis for a potential future top down or bottom up approach of adopting the proposed model it includes a succinct and practical codification of the current state of affairs in relation to the whole spectrum of jurisdictional issues in England and Wales to serve as a useful tool for practitioners considering jurisdictional issues both from the perspective of State courts and from the perspective of arbitral tribunals as well as academics researching in these areas

The Zuma Years Richard Calland,2013-08-16 The face of power in South Africa is rapidly changing for better and for worse The years since Thabo Mbeki was swept aside by Jacob Zuma s coalition of the wounded have been especially tumultuous with the rise and fall of populist politicians such as Julius Malema the terrible events at Marikana and the embarrassing Guptagate scandal What lies behind these developments How does the Zuma presidency exercise its power Who makes our foreign policy What goes on in cabinet meetings What is the state of play in the Alliance is the SACP really

more powerful than before And as the landscape shifts what are the opposition s prospects In *The Zuma Years* Richard Calland attempts to answer these questions and more by holding up a mirror to the new establishment by exploring how people such as Malema Chief Justice Mogoeng Mogoeng and DA parliamentary leader Lindiwe Mazibuko have risen so fast by examining key drivers of transformation in South Africa such as the professions and the universities and by training a spotlight on the toxic mix of money and politics *The Zuma Years* is a fly on the wall insider s approach to the people who control the power that affects us all It takes you along the corridors of government and corporate power mixing solid research with vivid anecdote and interviews with key players The result is an accessible yet authoritative account of who runs South Africa and how today

**Arbitration and Contract Law** Neil Andrews,2016-04-18 This book deals with the contractual platform for arbitration and the application of contractual norms to the parties dispute Arbitration and agreement are inter linked in three respects i the agreement to arbitrate is itself a contract ii there is scope subject to clear consensual exclusion in England for monitoring the arbitral tribunal s fidelity and accuracy in applying substantive English contract law iii the subject matter of the arbitration is nearly always a contractual matter These three elements underlie this work They appear as Part I arbitration is founded on agreement Part II monitoring accuracy Part III synopsis of the English contractual rules frequently encountered within arbitration The book will be a useful resource to foreign lawyers or English non lawyers English lawyers seeking a succinct discussion and to arbitral tribunals

**Intersectionality and Women's Access to Justice in Africa** J. Jarpa Dawuni,2022-10-17 Intersectionality and Women s Access to Justice edited by J Jarpa Dawuni propounds layered intersectionality as a paradigm for examining how gendered factors affect women s access to justice whether as judges or litigants Through intersectional and decolonial frameworks the contributors analyze the lived experiences of women and their access to justice by situating the courtroom as both a spatial and a temporal arena for seeking justice as litigants and for seeking access to the bench as judges This book examines patterns of mutually reinforcing discriminatory practices that women share based on common gender identities and depending on which identities are at play at a given point in time in both traditional and statutory courts The book provides recommendations for various justice sector providers

**The Conflict of Laws** Adrian Briggs,2019-10-24 This invaluable introduction to the study of the conflict of laws provides a survey and analysis of the rules of private international law as they apply in England Written to take account of the various possible outcomes of the Brexit process it goes as far as is possible to make sense of the effect it will have on English private international law The volume covers general principles jurisdiction and the effect of foreign judgments the law applicable to contractual and non contractual obligations the private international law of property of adults the increasingly complex law of children is described in bare outline and of corporations It does so in a manner which explains and illuminates the principles which underpin the subject in a clear and coherent fashion as the wealth of literature case law and legislation can often obscure the architecture of the subject and unnecessarily complicate its study This new edition

organizes the existing material in light of European legislation on private international law reflecting the way in which an accurate representation of the topic requires it to be interpreted as European law with a common law periphery instead of common law with European legislative influences As at the time of writing and possibly for some time to come the consequences of Brexit are a mystery but the attempt is made to describe the various possible shapes which the subject will assume in the future The book adopts a pragmatic approach and avoids the more abstract theory as the theory of the conflict of laws is actually to be found in and by applying the legislation and jurisprudence to the cases and issues which arise in private international litigation and in giving legal advice

*The Common Law Jurisprudence of the Conflict of Laws* Sarah McKibbin, Anthony Kennedy, 2023-05-04 This book presents a collection of leading common law cases in private international law ranging from the 18th to the 21st century The cases traverse issues of jurisdiction choice of law and the recognition and enforcement of foreign judgments Questions of marital validity domicile foreign immovable property and choice of law in contract are just some of the topics that this collection examines The unusual factual situations of some 18th and 19th century English cases also reveal compelling human interest stories and political controversies worthy of further exploration Drawing on a diverse team of contributors this edited collection showcases the research of eminent conflicts scholars together with emerging scholars from the United Kingdom Australia Canada Ireland and South Africa
