Johnston, 2016-04-30 In their literary autobiographies modernists Vita Sackville West Gertrude Stein Virginia Woolf and H D Hilda Doolittle challenge the scientific figures of the perverse lesbian particularly those promulgated by Havelock Ellis and Sigmund Freud By multiplying their I s manipulating subject and object divisions undermining boundaries between writer and audience and using repetition to code erotic moments these writers queer the terms of autobiography That queering requires understanding autobiography as more institutional than introspective and the autobiographies themselves question the very theories that determine them theories of lesbianism female development and memory **Julian (Routledge Revivals)** Polymnia Athanassiadi, 2014-04-08 Julian An Intellectual Biography first published in 1981 presents a penetrating and scholarly analysis of Julian s intellectual development against the background of philosophy and religion in the late Roman Empire Professor Polymnia Athanassiadi tells the story of Julian s transformation from a reclusive and scholarly adolescent into a capable general and an audacious social reformer However his character was fraught with a great many contradictions tensions and inconsistencies he could be sensitive and intelligent but also uncontrollably spontaneous and subject to alternating fits of considerable self pity and self delusion Athanassiadi traces the Emperor Julian s responses to personal and public challenges and dwells on the conflicts that each weighty choice imposed on him This analysis of Julian s character and of all the issues that confronted him as an emperor intellectual and mystic is based largely on contemporary evidence with particular emphasis on the extensive writings of the man himself

*The Writings of Julian of Norwich* Nicholas Watson, Jacqueline Jenkins, 2006 Julian of Norwich ca 1343 ca 1416 a contemporary of Geoffrey Chaucer William Langland and John Wyclif is the earliest woman writer of English we know about Although she described herself as a simple creature unlettered Julian is now widely recognized as one of the great speculative theologians of the Middle Ages whose thinking about God as love has made a permanent contribution to the tradition of Christian belief Despite her recent popularity however Julian is usually read only in translation and often in extracts rather than as a whole This book presents a much needed new edition of Julian s writings in Middle English one that makes possible the serious reading and study of her thought not just for students and scholars of Middle English but also for

those with little or no previous experience with the language Separate texts of both Julian's works *A Vision* and *A Revelation of Love* with modern punctuation and paragraphing and partly regularized spelling A second analytic edition of *A Vision* printed underneath the text of *A Revelation* to show what was left out changed or added as Julian expanded the earlier work into the later one Facing page explanatory notes with translations of difficult words and phrases cross references to other parts of the text and citations of biblical and other sources A thoroughly accessible introduction to Julian's life and writings An appendix of medieval and early modern records relating to Julian and her writings An analytic bibliography of editions translations scholarly studies and other works The most distinctive feature of this volume is the editors approach to the manuscripts Middle English editions habitually retain original spellings of their base manuscript intact and only emend that manuscript when its readings make no sense At once more interventionist and more speculative this edition synthesizes readings from all the surviving manuscripts with careful justification of each choice involved in this process For readers who are not concerned with textual matters the result will be a more readable and satisfying text For Middle English scholars the edition is intended both as a hypothesis and as a challenge to the assumptions the field brings to the business of editing

*Doctor Thorne* TV Tie-In with a foreword by Julian Fellowes Anthony Trollope, Julian Fellowes, 2016-03-03 Now adapted for ITV by Julian Fellowes *Doctor Thorne* is the compelling story in which rank wealth and personal feeling are pitted against one another The squire of Greshamsbury has fallen on hard times and it is incumbent on his son Frank to make a good marriage But Frank loves the doctor's niece Mary Thorne a girl with no money and mysterious parentage He faces a terrible dilemma should he save the estate or marry the girl he loves Mary too has to battle her feelings knowing that marrying Frank would ruin his family and fly in the face of his mother's opposition Her pride is matched by that of her uncle Dr Thorne who has to decide whether to reveal a secret that would resolve Frank's difficulty or to uphold the innate merits of his own family heritage The character of Dr Thorne reflects Trollope's own contradictory feelings about the value of tradition and the need for change His subtle portrayal and the comic skill and gentle satire with which the story is developed are among the many pleasures of this delightful novel

**Political Autobiographies and Memoirs in Antiquity** Gabriele Marasco, 2015-11-24 Ancient autobiography has been the object of several studies and meetings However these have focused chiefly on the philosophical and literary aspects This book aims to examine the development of political autobiography and memoirs in the Greek and Roman world stressing instead the relation of a single work with the traditions of the genre and also the influence of the respective aims of the authors on the composition of autobiographies At times these works were written as a means of propaganda in a political

struggle or to defend a past action and often to furnish material to historians Nonetheless they still preserve the personal viewpoint and voice of the protagonists in all their vividness even if distorted by the aim of defending their record Political Autobiographies and Memoirs in Antiquity will be a highly valuable and useful reference tool for both scholars and students of Greek and Roman history and literature History of Soybeans and Soyfoods in Wisconsin (1883-2021) William Shurtleff; Akiko Aoyagi,2021-09-28 The world s most comprehensive well documented and well illustrated book on this subject With extensive subject and geographic index 188 photographs and illustrations mostly color Free of charge in digital PDF format
