Routledge Handbook of the Climate Change Movement Matthias Dietz, Heiko Garrelts, 2014-01-10 This handbook provides a comprehensive overview of the growing transnational climate movement. A dual focus on climate politics and civil society provides a hitherto unavailable broad and systematic analysis of the current global movement highlighting how its dynamic and diverse character can play an important role in environmental politics and climate protection. The range of contributors from well known academics to activist scholars look at climate movements in the developed and developing world north and south small and large central and marginal. The movement is examined as a whole and as single actors thereby capturing its scope structure development activities and influence. The book thoroughly addresses theoretical approaches from classic social movement theory to the influence of environmental justice frames and follows this with a systematic focus on regions specific NGOs and activists cases and strategies as well as relations with peripheral groups. In its breadth balance and depth this accessible volume offers a fresh and important take on the question of social mobilization around climate change making it an essential text for advanced undergraduates postgraduate students and researchers in the social sciences.

Digital Leadership Eric Sheninger, 2019-04-03 Lead for efficacy in these disruptive times. Just as the digital landscape is constantly evolving the second edition of Digital Leadership moves past trends and fads to focus on the essence of leading innovative change in education now and in the future. As society and technology evolve at what seems a dizzying pace the demands on leaders are changing as well. With a greater emphasis on leadership dispositions this revamped edition also features New structure and organization emphasizing the interconnectivity of the Pillars of Digital Leadership to drive sustainable change. Innovative strategies and leadership practices that enhance school culture and drive learning improvement. Updated vignettes from digital leaders who have successfully implemented the included strategies. New online resources informative graphics and end of chapter guiding questions. Now is the time to embrace innovation technology and flexibility to create a learning culture that provides students with 21st century critical competencies.
