Mini/micro Communication Executive Software Handbook , 1989 **Report of the Expert Workshop on Guidelines for Micro-finance, Credit and Insurance for Small-scale Fisheries in Asia** Food and Agriculture Organization of the United Nations, 2019-10-17 The Expert Workshop on Guidelines for Micro finance Credit and Insurance for Small scale

Fisheries in Asia was held in Bangkok Thailand in the period 7-9 May 2019. Rural finance insurance and fisheries experts from Bangladesh, China, India, Indonesia, Japan, Philippines, Thailand, UK, Canada, and the USA met to discuss ways to improve the access to financial services for small scale fishers in Asia. The workshop aimed to discuss successful finance and insurance programmes in Asia for small scale fishers, finalize practical guidelines in support of better access to financial services and design a capacity building programme for increasing the provision of finance and insurance services to small scale fisheries. The workshop was attended by 32 experts and was organized by the Asia Pacific Rural and Agricultural Credit Association (APRACA) in close collaboration with FAO. The insurance and credit guidelines prepared will facilitate the implementation of the Voluntary Guidelines for Securing Sustainable Small Scale Fisheries in the Context of Poverty Eradication and Food Security (SSF Guidelines) as well as contribute towards achievement of Sustainable Development Goal 14. Access to finance and insurance services will enable the small scale fishers to invest in more responsible fishing operations and technologies, reduce overfishing, contribute to fisheries management and implement climate change adaptation measures. The micro finance credit and insurance guidelines for small scale fisheries have been endorsed by APRACA members in June 2019 and implementation throughout the Asian region is promoted.
