Gender Identity Cynthia L. Winfield, 2019-07-15 What does it mean to be male What does it mean to be female In contemporary culture such distinctions have increasingly been regarded as much too narrow to cover the entire spectrum of humanity Over the past few decades thousands of individuals have bravely declared their true identities and refused to be boxed into what society has dictated It has become increasingly important especially for those coming into adulthood to go beyond the concepts of gay lesbian straight and bisexual when examining gender In *Gender Identity The Ultimate Teen Guide* Cynthia L Winfield encourages readers to reject the notion that male or female designations fit all The author examines how gender lines have been crossed as a growing number of individuals including young adults have found the courage to express and celebrate their authentic selves In this book Winfield addresses Differences between biological sex sexual orientation gender identity and gender expression Legal protections for those outside the narrowly defined gender norms Public debate and shifting views about gender identity Ways readers can make society more cognizant and inclusive of gender variant individuals In addition to providing a well grounded introduction to lesbian gay bisexual transgender queer or questioning intersex and asexual persons and issues this book allows contemporary teens and young adults to voice their experiences As more and more public figures from actress Laverne Cox to Olympic athlete turned reality television star Caitlyn Jenner have shared their stories it's just as important for everyday people to identify who they are This second edition of *Gender Identity The Ultimate Teen Guide* is a much needed update of an important topic and will be of interest to young adults their families and friends and the community at large

Transgender Cinema Rebecca Bell-Metereau, 2019-03-01 2019 Choice Outstanding Academic Title *Transgender Cinema* gives readers the big picture of how trans people have been depicted on screen Beginning with a history of trans tropes in

classic Hollywood cinema from comic drag scenes in Chaplin's *The Masquerader* to Garbo's androgynous Queen Christina and from psycho killer queers to *The Rocky Horror Picture Show*'s outrageous queen it examines a plethora of trans portrayals that subsequently emerged from varied media outlets including documentary films television serials and world cinema Along the way it analyzes milestones in trans representation like *The Crying Game* *Boys Don't Cry* *Hedwig and the Angry Inch* and *A Fantastic Woman* As it traces the evolution of trans people onscreen *Transgender Cinema* also considers the ongoing controversies sparked by these movies and series both within LGBTQ communities and beyond Ultimately it reveals how film and television have shaped not only how the general public sees trans people but also how trans people see themselves
