Marking the Rhythm of English History Richard Barras, 2016-09-23 This two volume book explores how the great buildings of England bear witness to a thousand years of the nation s history In every age investment in iconic buildings reaches a climax when the prevailing mode of production is operating most effectively surplus wealth is most plentiful and the dominant class rules supreme During such periods of stability and prosperity the demand for new buildings is strong structural and stylistic innovations abound and there is fierce competition to build for lasting fame Each such climax produces a unique vintage of hegemonic buildings that are monuments to the wealth and power of those who ruled their world This second volume presents three case studies of iconic building investment from the eighteenth century to the present day During the eighteenth century the wealth of the great landed estates funded the golden age of country house building by aristocracy and gentry During the nineteenth century the Industrial Revolution unleashed an unprecedented wave of infrastructure investment and civic building by the ascendant capitalist class Since the late twentieth century the power of global financial capital has been symbolized by the relentless rise of city centre office towers A final chapter argues that these different forms of hegemonic building are a physical manifestation of the underlying rhythm of English history

Jupille,James A. Caporaso,2022-01-20 Spotlights institutions sociality temporality efficiency and power Promotes interdisciplinary dialogue among theories of institutions *Poetic Licence* Kevin Price,2022-05-15 An explosive political thriller novel pitching people smuggling corruption and murder against the boundaries of truth and freedom a block of shadow pushes against a diffusing moonlight the golden halo spreads out into the vineyards from its sides and drains into the night like blood on a carpet Art Lazaar is a writer with a poetic licence In short it secretly puts him in service to a mysterious government agency As a result he is assigned to doubling as an academic but his poetic licence also ties him to a past he can

t escape And when a figure from that same past calls him he must act First to protect a young asylum seeker running from those who murdered her brother And secondly to find the murderers It s not a call he can refuse The call as much as guarantees Lazaar stumbles into a murky world of corruption It leads to threats of arrest kidnap and torture As a result he is left for dead The situation grows ever more dire as suspects disappear die or leave the country in the nick of time In the end his choices come down to the only weapon in his arsenal A meticulously crafted political thriller novel Poetic Licence s spellbinding and suspenseful plot with its complex web of characters thrusts the reader into a world deeply etched in our psyches It leaves no doubt as to who is to blame and where the responsibility lies The politics of truth and freedom do not rest easily in this funny angry and endlessly entertaining novel Alan Carter and David Whish Wilson attest to it Poetic Licence dives headlong into a world of political and institutional corruption exposing the vast gulf between the words and deeds of the powerful between the lives of the haves and have nots and the casual mistreatment of asylum seekers Written in terse propulsive prose Poetic Licence is a clever thriller that won t disappoint David Whish Wilson A vividly realised Fremantle is the apt setting for this zeitgeisty thriller Hunter is an original and kick ass protagonist Alan Carter A smart and utterly distinctive slice of Ozzie noir set in Fremantle where evil breeds like the flies on a sheep s arse
