Go Math Grade 5 Pg 59:

Math, Grade 5 Bitsy Griffin, 2015-01-05 Applying the Standards Math for grade 5 offers 64 pages of targeted math practice. It is aligned with current state standards and includes a problem solving rubric, a standards alignment chart, and standard specific pages of math problems and performance tasks. Fifth graders will be able to prove deep understanding of topics that range from numerical expressions, multiplication and division of fractions, and volume to graphing. The Applying the Standards Math series emphasizes higher level thinking by requiring students to complete performance tasks to prove understanding of each standard. This is a series of six 64 page books for students in kindergarten to grade 5. All grade level math skills are covered and a culminating reflection question for each performance task engages students in the standards of mathematical practice. Current state standards and depth of understanding are emphasized throughout the series.
