Demonglass Rachel Hawkins, 2011-10-01 Sophie Mercer thought she was a witch That was the whole reason she was sent to Hex Hall a reform school for delinquent Prodigium aka witches shapeshifters and fairies But that was before she discovered the family secret and that her hot crush Archer Cross is an agent for The Eye a group bent on wiping Prodigium off the face of the earth Turns out Sophie s a demon one of only two in the world the other being her father What s worse she has powers that threaten the lives of everyone she loves Which is precisely why Sophie decides she must go to London for the Removal a risky procedure that will either destroy her powers forever or kill her But once Sophie arrives she makes a shocking discovery Her new housemates They re demons too Meaning someone is raising them in secret with creepy plans to use their powers and probably not for good Meanwhile The Eye is set on hunting Sophie down and they re using Acher to do it But it s not like she has feelings for him anymore Does she

Hex Hall: Raising Demons Rachel Hawkins, 2011-03-03 Sophie Mercer s first term at Hex Hall turned out to be quite eventful First the ghost of her evil grandmother haunted her every move then her best friend was accused of murder and of course there was the discovery that Archer Cross aka the boy of her dreams was actually an undercover demon hunter which would probably be something she could have worked on if she hadn t also discovered that she was actually the demon Archer

was hunting So despite their issues Sophie is actually relieved to be spending the summer in London with her father But when your father is Head of The Council of Prodigium and your summer is being spent at the headquarters of everything magical then a quiet holiday isn't really that likely And as Sophie struggles to come to terms with her new found demon powers she finds herself thrust once again into a world of dark magic and conspiracies The only thing that could possibly make things more complicated would be for Archer Cross to show up again which of course he wouldn't would he

Hex Hall Rachel Hawkins,2010-04-01 In the wake of a love spell gone horribly wrong Sophie Mercer a sixteen year old witch is shipped off to Hecate Hall a boarding school for witches shapeshifters and faeries The traumas of mortal high school are nothing compared to the goings on at Freak High It's bad enough that she has to deal with a trio of mean girls led by the glamorous Elodie but it's even worse when she begins to fall for Elodie's gorgeous boyfriend Archer Cross and frankly terrifying that the trio are an extremely powerful coven of dark witches But when Sophie begins to learn the disturbing truth about her father she is forced to face demons both metaphorical and real and come to terms with her own growing power as a witch
