

# HURRICANE SEASON SAFETY TIPS

Hurricane season runs from **June 1** to **November 30**. We cannot control the weather, but we can control our preparation. Follow the tips below to make sure you and your family keep safe this hurricane season.

## LISTEN TO WARNINGS

Delays in heeding storm warnings are a contributing factor to casualties. People who linger become trapped. Emergency personnel are then put at risk to save those lives. ***Do not wait until the last minute.*** When warnings are given to evacuate and seek shelter, take your family and your "to-go" bags and evacuate. ***Homes can be rebuilt. Lives cannot.***

## PREPARE YOUR FAMILY

It's important to schedule time for yourself and your family to sit down and review your resources and checklists. Give yourself a deadline to have your "to-go" bag, as well as one for each family member, packed and prepared. Then, schedule time together to practice your family's emergency plan.

**Know what to do before, during, and after a storm is headed your way. Visit [ready.gov/hurricanes](https://www.ready.gov/hurricanes) to review preparedness tips and more.**

## DISASTER SUPPLY KIT

**Emergency supply kits:** your "to-go" bags vary depending on your family's needs. Two items to have at the top of your list are water and baby/pet care.

**Water** is the number one item you cannot live without. Have one gallon of water per person per day for at least three days in your home should you lose access to running water. And keep water in your "to-go" bag.

**Baby/pet care:** Don't forget your dependents. Baby care items and food for your pet should be included in your kit.

**Reminder:** Check your supply kit each year for expired food and water and replace when necessary. Also, do not store your batteries in your flashlight or radio to avoid corrosion.

**For a list of recommended supplies, visit [ready.gov/kit](https://www.ready.gov/kit)**
