## Installation Rules Online Exam Preparation Paper 2

P & T Technology (Pty) Ltd Electrical Competency Training Institute is an accredited provider with the EWSETA, CETA AND CHIETA. The training and development centre is situated at the 141 Lamp Road, Wadeville, Germiston.

Our Installation Rules Paper 2 program is used to prepare a learner for the national exam Installation Rules. This exam is required as part of the criteria by the Department of Labour to apply to become an installation electrician. The Examination Instruction 08 of 2009 (IEMIE Syllabus) can be found on our web site.

### Target audience

- Any person who intends to write Installation Rules Paper 2 exams as administered by the Department of Education on behalf of the Department of Labour.

### Pre-requisites

- Have all the required codes and standards.

### Online training

The online course is a self-directed program consisting of all the syllabus required for the exam including exam practice questions. Should you have any questions you will be able to email us from the platform and we will respond to you during working hours.

The online course will be available for two blocks at a time. At the end of the second block the students access to the platform ends. You will have access 24/7, until the day of the exam. You will be able to enrol for both papers if you do the online course but you will only have two block's access to the each online program. I.e if you enrol for both papers during the same block, you will only have access for the two blocks.

You can have access to the online platform using the internet browser on your computer or cell phone.

*The Burden-Sharing Dilemma* Brian D. Blankenship, 2023-11-15 The Burden Sharing Dilemma examines the conditions under which the United States is willing and able to pressure its allies to assume more responsibility for their own defense The United States has a mixed track record of encouraging allied burden sharing while it has succeeded or failed in some cases it has declined to do so at all in others This variation Brian D Blankenship argues is because the United States tailors its burden sharing pressure in accordance with two competing priorities conserving its own resources and preserving influence in its alliances Although burden sharing enables great power patrons like the United States to lower alliance costs it also

empowers allies to resist patron influence Blankenship identifies three factors that determine the severity of this burden sharing dilemma and how it is managed the latent military power of allies the shared external threat environment and the level of a patron's resource constraints Through case studies of US alliances formed during the Cold War he shows that a patron can mitigate the dilemma by combining assurances of protection with threats of abandonment and by exercising discretion in its burden sharing pressure Blankenship's findings dismantle assumptions that burden sharing is always desirable but difficult to obtain Patrons as the book reveals can in fact be reluctant to seek burden sharing and attempts to pass defense costs to allies can often be successful At a time when skepticism of alliance benefits remains high and global power shifts threaten longstanding pacts The Burden Sharing Dilemma recalls and reconceives the value of burden sharing and alliances     **The Department of State Bulletin** ,1954
