ISTQB® Certified Tester Foundation Level Lucjan Stapp,Adam Roman,Michaël Pilaeten,2023-11-23 This book is aimed at everyone preparing for the ISTQB Certified Tester Foundation Level exam based on the Foundation Level syllabus version 4.0 published in 2023. It provides candidates with reliable knowledge based on this document and thus distinguishes itself from all the information about ISTQB syllabi and exams on the Internet which is often of rather poor quality and may even contain serious errors. The book expands and details many issues that are described in the new 2023 version of the syllabus in a perfunctory or general way only. According to the ISTQB guidelines for syllabus

based training an exercise must be provided for each learning objective at the K3 level and a practical example must be provided for each objective at the K2 or K3 level In order to satisfy these requirements the authors prepared numerous exercises and examples for all learning objectives at these levels In addition for each learning objective one or more sample exam questions are presented which are similar to those that the candidate will see in the exam This makes the book an excellent aid for studying and preparing for the exam and verifying acquired knowledge

Your Professional Qualification, 2002 What is the difference between an academic and professional qualification Who should get a professional qualification Did you know that some professions can not be legally practised with a degree alone Why get a UK qualification Is it expensive to gain a British qualification What is a chartered institute or society and is it better than a non chartered body What is the difference between a professional body and a trade union These are all questions answered in this book which is designed to help individuals choose a career path and the right professional organisation In today s world it isn t enough to have a qualification you need to be able to meet with peers and use the valuable networks that are already in place to foster your profession Your Professional Qualification provides a comprehensive survey of the qualifications available in the UK along with guidance on where they lead entry requirements where to apply and where to study Derived from the vast and authoritative British Qualifications database this important publication provides the first easily accessible guide to qualifications and how to get them in the UK Built around a comprehensive directory of professional qualifying bodies each professional area is described in depth and its qualifications identified and explained The book is supported by a simple website which ensures purchasers of the book are kept up to speed with new developments
