Earth: The Operators' Manual Richard B. Alley, 2011-04-18 The book companion to a PBS series that proves humans are causing global warming and offers a path to the future Since the discovery of fire humans have been energy users and always will be And this is a good thing our mastery of energy is what separates us from the rest of the animal kingdom and has allowed us to be the dominant species on the planet However this mastery comes with a price we are changing our environment in a profoundly negative way by heating it up Using one engaging story after another coupled with accessible scientific facts world authority Richard B Alley explores the fascinating history of energy use by humans over the centuries gives a doubt destroying proof that already high levels of carbon dioxide are causing damaging global warming and surveys the alternative energy options that are available to exploit right now These new energy sources might well be the engines for economic growth in the twenty first century

How to Behave and How to Amuse: A Handy Manual of Etiquette and Parlor Games George H. Sandison, 2019-11-29 In *How to Behave and How to Amuse A Handy Manual of Etiquette and Parlor Games* George H Sandison provides a comprehensive guide that marries the intricacies of social conduct with cherished recreational activities of the late 19th century The book blends instructional prose with a playful tone making etiquette approachable for readers of diverse backgrounds Sandison adeptly explores the cultural mores of his time offering insights into the social dynamics of Victorian society and the role of parlor games in fostering interpersonal connections Through witty anecdotes and practical advice he elevates social gatherings into artful engagements encapsulating the essence of polite society in an era marked by rigid norms and burgeoning leisure activities George H Sandison a product of his time was deeply influenced by the societal expectations and cultural shifts of the Victorian era His profession as a social commentator and educator likely inspired his exploration of etiquette and games as crucial components of social identity By distilling his observations into this manual Sandison sought to guide individuals through the complex web of social interactions while making the experience enjoyable and enlightening I highly recommend this delightful manual for anyone interested in understanding the subtleties of social etiquette or the historical context of Victorian leisure Sandison s witty prose and astute observations not only entertain but serve as a valuable resource for navigating contemporary social landscapes with grace
