Measure for Measure William Shakespeare, 2020-09-28 Of government the properties to unfold _ Would seem in me to affect speech and discourse _ Since I am put to know that your own science _ Exceeds in that the lists of all advice _ My strength can give you then no more remains _ But that to your sufficiency as your worth is able _ And let them work The nature of our people _ Our city s institutions and the terms _ For common justice you are as pregnant in _ As art and practice hath enriched any _ That we remember There is our commission _ From which we would not have you warp Call hither _ I say bid come before us Angelo _ Exit an Attendant What figure of us think you he will bear _ For you must know we have with special soul _ Elected him our absence to supply _ Lent him our terror drest him with our love _ And given his deputation all the organs _ Of our own power what think you of it
