The book is divided in three important parts Part one talks about God devil human and choices Part two talks about my biography My biography reveals some of the reasons why I believe that we are who we are not by choice Part three talks about the American justice system and a law suit I filed on my own against a bank We say in America justice is for all I say in America the justice system is simply a little bit better than other places that I've been Ask yourselves if the law is run by humans and we know humans don't protect humans right Humans only protect interest in human rights How can justice be served to everyone when according to us there is no interest in everyone's right But it's all about perception Like our God everyone thinks the way they perceive God is the right way It may be true according to them Because I read an anonymous quote that says Everyone creates their own reality As for me I just order every fiber of my body to give glory to God for whom and what I am today Who I am which resulting what I am today is all due to God Because the LORD is close to the brokenhearted and saves those who are crushed in spirit He has a heart for those of us who are nothing He sees our needs even before we ask for help He blessed me even before I even knew him He changes my messes in to messages My biography in the middle of the book will tangibly prove my statement You will learn about my existence throughout the book You'll see why I am so in love with the Lord Most of my siblings have been killed My father has had 19 kids with eight mothers Only seven of us remain alive From 19 kids he has had five with my mother with whom he was married I was the first one but the only one remains alive See my biography for details When we create something we humans issue a manual that tells others how to manage it The Lord gave the manual of life written with his hand That's the 10 commandment The bible is the development of the Ten Commandments according to human perception The bible is loaded with philosophy My belief is whatever it is were doing we are either inspired by Holy Spirit or the devil We say Those who wrote the bible were inspired by God The bible talks about the Lord of course The authors would have to be inspired by God through the Holy Spirit The Holy Spirit talks to us through our perceptions I'm also inspired by God to write this book because I'm talking about God If this book appears to be against the Lord may he stop it now **Коммерсантъ 33** Редакция газеты Коммерсантъ (понедельник-пятница),2015-05-20 **The Eternal Engagement** Mary B.
