A Major Victory for Gay Rights Activists in America
Indentation (press TAB once)

Last week, on June 26, 2015, the Supreme Court of the United States ruled that all 50 states in the country must allow same-sex marriage. It was a major victory for the gay citizens who wish to wed others of the same gender. An article on cnn.com, "Supreme Court rules in favor of same-sex marriage nationwide," written by Ariane de Vogue and Jeremy Diamond, had much to say about this historic ruling, which has set a precedent in the world.

Indentation

In the 5-4 ruling, Justice Anthony Kennedy, who wrote for the majority with the four liberal justices, said "no union is more profound than marriage, for it embodies the highest ideals of love, fidelity, devotion, sacrifice and family." Kennedy continued to say, "In forming a marital union, two people become something greater than they once were. ... Their hope is not to be condemned to live in loneliness, excluded from one of civilization's oldest institutions. They ask for equal dignity in the eyes of the law. The Constitution grants them that right." (De Vogue and Diamond).

Kennedy also wrote that same-sex couples should be able to use their right to marry in all states. This day marks a victory for homosexuals all over the world, not just in America. This ruling makes America the 21st country to legalize same-sex marriage nationwide, including its territories, such as Guam and Puerto Rico. Gay couples will now have the same exact legal rights, as well as the benefits that straight couples have shared for as long as the country has existed.

The ESL Writer's Handbook, 2nd Ed. Janine Carlock, Maeve Eberhardt, Jaime Horst, Lionel Menasche, 2017-12-20 The ESL Writer's Handbook is a reference work for ESL students who are taking college level courses Because its purpose is to provide help with the broad variety of writing questions students may have when working on school assignments the text focuses on English for Academic Purposes Unlike other handbooks on the market this book's sole purpose is to address the issues of second language learners The spiral

bound Handbook complements a student writer's dictionary, thesaurus, and grammar reference book. It would be suitable as a text for an advanced ESL writing course when used together with the companion Workbook 978 0 472 03726 1. The new edition features significant revisions to Sections 3 and 4; in particular, both APA and MLA style guides have been updated, and new sample papers for each are included. The new edition includes new and revised exercises, and many new samples of student writing. Like its predecessor, the 2nd Edition has these special features: The topic selection is based on ESL writers' needs as observed by the authors over many years. The coverage of topics is more complete than the limited amount usually provided for ESL writers in first language or L1 handbooks. The explanatory language is appropriate for ESL students in contrast to the more complex and idiomatic language of other English handbooks. Many of the examples of paragraphs, essays, research papers, and exercise sentences were written by ESL students to help users realize that they too can become effective writers.

Bibliographic Research in Composition Studies Vicki Byard, 2009-10-02. Bibliographic Research in Composition Studies is a student-friendly guide to how knowledge is constructed and disseminated in composition studies, as well as a thorough handbook on how to conduct bibliographic research in the discipline. Student readers are taught Stephen North's taxonomy of scholarship, empirical research, and practice so that they can better contextualize the sources they read and they learn the unique ways that some genres of publication function in composition studies. The book also leads students through the entire process of completing a bibliographic assignment.

Crash Course Haematology and Immunology - E-BOOK Priya Sriskandarajah, Ioanna Lazana, Maheen Ahsan, Michael Lim, 2024-12-27. Crash Course: your effective every day study companion PLUS the perfect antidote for exam stress. Save time and be assured you have the essential information you need in one place to excel on your course and achieve exam success. A winning formula now for over 25 years, having sold over 1 million copies and translated in over 8 languages, each series volume has been fine-tuned and fully updated to make your life easier. Especially written by senior students or junior doctors/residents, those who understand what is essential for exam success, with all information thoroughly checked and quality assured by expert Faculty Advisers, the result is books that exactly meet your needs, and you know you can trust. Each chapter guides you succinctly through the full range of curriculum topics in the MLA syllabus, integrating clinical considerations with the relevant basic science and avoiding unnecessary or confusing detail. Text boxes help you get to the hints, tips, and key points you need fast. A fully revised self-assessment section, matching the latest exam formats, is included to check your understanding and aid exam preparation. Series volumes have been honed to meet the requirements of today's medical students, although the range of other health students and professionals who need rapid access to the essentials of haematology and immunology will also love the unique approach of Crash Course. Whether you need to get out of a fix or aim for a distinction, Crash Course is for you. This updated edition features brand new high-resolution colour images of commonly tested blood films, vivid photographs of haematological skin manifestations, and revamped immunology sections. All new OSCE cases, as well as MLA style questions, it covers cutting-edge

immunological advancements including mRNA vaccines biologics and CAR T therapy providing an essential visual and theoretical resource for students Fully aligned to MLA requirements with key conditions and presentations highlighted in handy checklists save valuable revision time and be confident you have the syllabus covered Updated self assessment section matching the latest exam formats confirm your understanding and improve exam technique fast *The SAGE Guide to Writing in Policing* Jennifer M. Allen, Steven Hougland, 2019-12-02 The SAGE Guide to Writing in Policing Report Writing Essentials equips students with transferable writing skills that can be applied across the field of policing both academically and professionally Authors Steven Hougland and Jennifer M Allen interweave professional and applied writing academic writing and information literacy with the result being a stronger more confident report writer Students are also exposed to a number of best practices for various elements of report writing such as the face page incident reports supplemental reports investigative reports and traffic reports as well as search warrants and affidavits *How to Write about the Media Today* Raúl Damacio Tovaes, Alla V. Tovaes, 2010-03-02 A comprehensive and practical guide to writing a successful media paper or report from selecting a topic to submitting the final draft How to Write about the Media Today is the first book to offer students and media practitioners a comprehensive approach for researching and preparing a report paper or presentation on some aspect of today s mass communication How to Write about the Media Today begins with a discussion of different types of media outlets from traditional newspapers and television to the Internet as well as an overview of contemporary directions in media studies This is followed by a series of step by step strategies for selecting topics conducting research and writing cogently and engagingly about media related events and issues Because each chapter stands on its own this resource can be read sequentially or consulted topic by topic as needed [REDACTED] [REDACTED], 2020-08-13
